AN ACT relating to certificates of title; authorizing the Department of Motor Vehicles to issue a new certificate of title or a state agency to issue a salvage title for a vehicle to a person who is unable to provide a certificate of title for the vehicle and who files a bond with the Department or state agency under certain circumstances; setting forth the requirements for filing the bond; requiring the Department or state agency to return the bond under certain circumstances; abolishing certain rights of action against the Department of Motor Vehicles and any officer or employee of the Department; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Under existing law, if an applicant for registration of a vehicle or transfer of registration is unable to provide a certificate of title for the vehicle, the Department of Motor Vehicles may issue to the applicant a certificate of title if the Department is satisfied that the applicant has provided information sufficient to establish: (1) legal ownership of the vehicle; or (2) that the applicant is entitled to a new certificate of title. (NRS 482.240, 482.415) Similarly, if an applicant for a salvage title for a vehicle is unable to furnish a certificate of title for the vehicle, the state agency may issue a salvage title if the state agency is satisfied, after examining the circumstances and requiring the filing of suitable information, that the applicant is entitled to a salvage title. (NRS 487.820) Existing law requires a person whose certificate of title is lost, mutilated or illegible to immediately make application for and obtain a duplicate or substitute certificate of title upon furnishing information satisfactory to the Department and payment of the required fees. (NRS 482.285)

**Section 1** of this bill authorizes a person who is unable to provide information satisfactory to the Department that the person is entitled to a ~~new~~ certificate of title or a duplicate or substitute certificate of title for a vehicle to obtain a new certificate of title by: (1) filing a bond with the Department in an amount equal to one and one-half times the value of the vehicle, as determined by the Department; ~~and~~ (2) allowing the Department to inspect the vehicle to verify the vehicle identification number ~~and~~ and the identification numbers, if any, for parts used to repair the vehicle; and (3) authorizing the Department to conduct a vehicle history search through relevant national crime information systems. Such a bond must be conditioned to indemnify prior and subsequent owners or lienholders of the vehicle against any expense, loss or damage because of the issuance of the certificate of title,

or because of any defect in or undisclosed security interest in the applicant's right or title to the vehicle or the applicant's interest in the vehicle. The bond must be returned by the Department at the end of 3 years, unless the Department has been notified of the pendency of an action to recover on the bond. **Section 1** also abolishes any right of action against the Department for taking certain actions or failing to act in providing a certificate of title pursuant to that section. Finally, **section 1** provides that an applicant for a certificate of title pursuant to that section may participate in the Department's electronic lien system. **Section 6** of this bill sets forth the same option for filing a bond and allowing an inspection to obtain a salvage title for a vehicle, and abolishes any right of action against the Department in a manner similar to the provisions of **section 1**. **Sections 2-5** of this bill make conforming changes. Existing law authorizes the Department to adopt regulations specifying the amount of the fees which the Department will charge and collect for each certificate of title or duplicate certificate of title issued. (NRS 482.429) Existing regulations impose a fee of \$20 for each certificate of title or duplicate certificate of title issued for a vehicle present or registered in this State. (NAC 482.907)
