AN ACT relating to protection of children; requiring school employees and volunteers to report the abuse or neglect of a child and certain other prohibited acts; requiring an agency which provides child welfare services to investigate such a report and forward a substantiated report to the Statewide Central Registry for the Collection of Information Concerning the Abuse or Neglect of a Child; authorizing a person to appeal the substantiation of such a report; revising certain provisions concerning background checks conducted on certain educational personnel and volunteers; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires certain persons, including, without limitation, licensed teachers and social workers employed by a public school or private school, to report the suspected abuse or neglect of a child when such neglect was believed to have been caused or allowed by a person responsible for a child's welfare. (NRS 432B.020, 432B.220) The term "person responsible for a child's welfare" is limited by existing law to a parent, legal guardian, stepparent or other adult person found in the same home as the child on a regular basis or a home, institution or facility where the child resides or receives care, including, without limitation, the volunteers and employees of such homes, institutions or facilities. (NRS 432B.130) **Section 8** of this bill requires all employees of and volunteers for a public school or private school, regardless of whether they are licensed, to report the suspected abuse or neglect of a child by a person responsible for the child's welfare.

Existing law makes it a misdemeanor or gross misdemeanor for a person who is required to report the suspected abuse or neglect of a child to knowingly and willfully fail to make such a report. (NRS 432B.240) This penalty also applies to the failure to report by an employee of or volunteer for a public school or private school as expanded by **section 8** of this bill.

Existing law prohibits sexual conduct between an employee or volunteer of a public school and certain pupils, the luring of a child and the use of corporal punishment in a public school. (NRS 201.540, 201.560, 392.4633) **Section 44** of this bill imposes an additional duty on an employee or volunteer at a public or private school to make a report within 24 hours if, in that capacity, he or she knows or has reasonable cause to believe that a child has been subjected to abuse or neglect caused by a person other than a person responsible for the welfare of the child, certain sexual conduct, luring or prohibited corporal punishment. **Section 44** requires: (1) a report concerning abuse or neglect, sexual conduct or luring to be made to an agency which provides child welfare services and a law enforcement agency; and (2) a report concerning prohibited corporal punishment to be made to a child welfare agency. **Section 44** requires a child welfare agency to investigate any such report it receives. **Section 45** of this bill prescribes the required contents of the report. **Section 46** of this bill makes it a misdemeanor for an employee or volunteer at a school to fail to make a report when required. **Sections 47 and 48** of this bill provide that certain privileges do not apply to a person required to make a report or to the report itself. **Section 49** of this bill authorizes a designee of an agency investigating a report to take certain actions to investigate the report with the consent of the parent or guardian of the child.

Section 50 of this bill provides that reports of abuse, neglect, sexual conduct, luring and prohibited corporal punishment and investigations of such reports are confidential and makes it a gross misdemeanor to disclose such information except where authorized to do so. **Section 51** of this bill sets forth exceptions to such confidentiality that allow certain persons to access such material, including the child who is the subject of the report, his or her parent or guardian and attorney and certain governmental entities. **Section 52** of this bill authorizes an agency investigating a report to provide certain information to the person alleged to have engaged in the conduct described in the report and the person who made the report. **Section 52** also authorizes any person to consent to the release of information about himself or herself. **Section 53** of this bill: (1) requires an agency which provides child welfare services to take precautions to protect the identity and safety of a person who makes a report when releasing information; and (2) authorizes such an agency to charge a fee for processing costs necessary to prepare information maintained by the agency. **Section 54** of this bill provides that any person who is provided information maintained by an agency which provides child welfare services and further disseminates the information is guilty of a gross misdemeanor.

Section 55 of this bill requires an agency investigating a report to determine whether the report is substantiated or unsubstantiated. If the report is substantiated, the agency is required to forward the report to: (1) the Department of Education, the governing body of the school or school district, as applicable, and law enforcement; and (2) after the conclusion of any administrative appeal, the Statewide Central Registry for the Collection of Information Concerning the Abuse or Neglect of a Child. **Section 56** of this bill prescribes the procedure for filing and hearing an administrative appeal. **Section 1.5** of this bill provides for the inclusion of such information in the Central Registry. **Section 57** of this bill provides immunity from civil and criminal liability for a person who, in good faith, makes a report or takes certain action to investigate a report. **Section 58** of this bill authorizes the Division of Child and Family Services of the Department of Health and Human Services to adopt any regulations necessary for the administration of provisions relating to the new reporting requirement prescribed by this bill. **Section 7.3** of this bill provides that the provisions of existing law governing the requirement to report the abuse or neglect of a child by a person responsible for the welfare of the child do not apply to the new reporting requirement.

Under existing law, an unlicensed applicant for employment at a public school must undergo a background check before being hired. (NRS 388A.515, 388C.200, 391.104, 391.281) Additionally, a licensed employee must undergo a background check before a license can be issued or renewed. (NRS 391.033) **Sections 27, 28, 33, 34 and 60** of this bill additionally require: (1) volunteers at a public school and employees and volunteers at a private school to undergo background checks; and (2) a background check to be performed on each unlicensed employee and volunteer at least once every 5 years. **Section 21** of this bill requires the Central Repository to provide the results of such a background check to the appropriate superintendent, governing body or administrator immediately. **Sections 27, 28, 31, 33, 34 and 60** of this bill also additionally require background checks performed on licensed and unlicensed educational personnel and volunteers to include information that may be available from the Central Registry or any equivalent registry maintained in another jurisdiction in which the person has resided within the immediately preceding 5 years. **Sections 24, 27, 28, 31, 33, 34 and 60** of this bill authorize a school district, charter school, university school for profoundly gifted pupils or private school to: (1) cooperate with a law enforcement agency to obtain any available information on the background of an applicant, employee or volunteer; and (2) use information from the Central Registry in personnel decisions. **Sections 27, 28, 31, 33, 34 and 60** provide that the Superintendent of Public Instruction, the board of trustees of a school district, the governing body of a charter school, university school for profoundly gifted pupils or private school and the administrator of a private school cannot be held liable for any damages resulting from such action. **Section 28** provides that any provision of a collective bargaining agreement that prohibits a school district, charter school or university school for profoundly gifted pupils from taking such action is void.
