EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to professions; authorizing certain qualified professionals who hold a license in the District of Columbia or another state or territory of the United States to apply for a license by endorsement to practice in this State; establishing requirements for applications for such a license; repealing provisions authorizing certain qualified professionals who hold a license in the District of Columbia or another state or territory of the United States to apply for the issuance of an expedited license by endorsement to practice in this State; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law generally provides for the licensing and regulation of professions in this State. (Title 54 of NRS) **Section 1** of this bill authorizes certain qualified professionals who are licensed in the District of Columbia or another state or territory of the United States to apply for and receive a license by endorsement to practice their respective professions in this State. To obtain a license by endorsement, an applicant must submit an application to the regulatory body, pay the fees imposed by the regulatory body for the application for and issuance of a license and submit his or her fingerprints for the purpose of obtaining a criminal background check. A person who receives a license by endorsement pursuant to **section 1** is entitled to a 50 percent reduction in the fee for the initial issuance of a license if the person is an active member of, or the spouse of an active member of, the Armed Forces of the United States, a veteran or the spouse or surviving spouse of a veteran.

Existing law authorizes certain qualified providers of health care and professionals to obtain an expedited license or certificate by endorsement to practice their respective professions in this State if the provider of health care or

professional holds a valid and unrestricted license or certificate, as applicable, to practice in the District of Columbia or another state or territory of the United States and meets certain other requirements. Existing law also provides similar provisions for the issuance of such an expedited license or certificate by endorsement if the person is an active member of, or the spouse of an active member of, the Armed Forces of the United States, a veteran or the surviving spouse of a veteran. (NRS 635.066, 635.0665, 636.206, 636.207, 637B.203, 637B.204, 639.136, 639.1365, 639.2315, 639.2316, 640.145, 640.146, 640A.165, 640A.166, 640C.425, 640C.426, 641.195, 641.196, 641A.241, 641A.242, 641B.271, 641B.272) **Sections 2-46** of this bill repeal these provisions, as well as other provisions authorizing licensure or certification by endorsement or reciprocity, as such provisions are either duplicative or more stringent than the application requirements for licensure or certification set forth in **section 1**. However, because the provisions of **section 1** do not apply to accountants, physicians, dentists, nurses, osteopathic physicians, alcohol, drug and gambling counselors or certain real estate professionals, this bill does not affect any provisions of existing law governing such persons.
