AN ACT relating to public welfare; revising provisions governing background checks of operators, employees and certain adult residents of a child care facility; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

- 1 Existing law requires the Division of Public and Behavioral Health of the
2 Department of Health and Human Services to identify, as part of a background
3 check, whether an applicant for a license to operate a child care facility, an
4 employee or certain adult residents of the facility have been convicted of certain
5 offenses. (NRS 432A.170) A person who has been convicted of any of the listed
6 offenses must not be issued a license to operate a child care facility or, in the case
7 of employees or residents, must be terminated or removed. (NRS 432A.160,
8 432A.1755)
9 The federal Child Care and Development Block Grant Act of 2014 prohibits
10 child care facilities from employing persons convicted of certain additional
11 offenses. (42 U.S.C. § 9858f(c)) This bill adds those offenses to align Nevada law
12 with federal standards.
