AN ACT relating to education; removing the limitation on the number of pupils with disabilities for which additional money is provided to public schools through the basic support guarantee per pupil; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for a basic support guarantee to be provided for each pupil who attends public school in this State. The money is paid from the State Distributive School Account in the State General Fund. The amount of the basic support guarantee is established for each school district for each school year according to a formula. Existing law further provides for a multiplier to be applied for pupils with disabilities so that additional funding is provided for such pupils from the State Distributive School Account. However, that additional funding is limited to not more than 13 percent of the total pupil enrollment in the school district or charter school, except in limited circumstances. (NRS 387.122) This bill removes the limitation on the number of pupils to whom the multiplier may apply. This bill also requires the additional funding to: (1) be equal or greater than the amount received during Fiscal Year 2017-2018; and (2) satisfy federal requirements for maintenance of effort. In addition, this bill requires the Department of Education to: (1) establish standards for determining whether a pupil has a disability for which the multiplier applies; and (2) conduct such audits as it deems necessary to ensure that the school districts and the State Public Charter School Authority accurately identify pupils to whom the multiplier applies.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** NRS 387.122 is hereby amended to read as follows:
2 387.122 1. For making the apportionments of the State
3 Distributive School Account in the State General Fund required by
4 the provisions of this title, the basic support guarantee per pupil for
5 each school district is established by law for each school year. The
6 formula for calculating the basic support guarantee may be
7 expressed as an estimated weighted average per pupil, based on the
8 total expenditures for public education in the immediately preceding
9 even-numbered fiscal year, plus any legislative appropriations for
10 the immediately succeeding biennium, minus those local funds not
11 guaranteed by the State pursuant to NRS 387.163.

12 2. The estimated weighted average per pupil for the State must
13 be calculated as a basic support guarantee for each school district
14 through an equity allocation model that incorporates:

- 15 (a) Factors relating to wealth in the school district;
16 (b) Salary costs;
17 (c) Transportation; and
18 (d) Any other factor determined by the Superintendent of Public
19 Instruction after consultation with the school districts and the State

21 3. The basic support guarantee per pupil must include a
22 multiplier for pupils with disabilities. Except as otherwise provided
23 in this subsection, the funding provided to each school district and
24 charter school through the multiplier for pupils with disabilities is
25 limited to the actual number of pupils with disabilities enrolled in
26 the school district or charter school . ~~It not to exceed 13 percent of~~
27 ~~total pupil enrollment for the school district or charter school. If a~~
28 ~~school district or charter school has reported an enrollment of pupils~~
29 ~~with disabilities equal to more than 13 percent of total pupil~~

31 *school district or charter school pursuant to this subsection would*

34 *would fail to satisfy the requirements for maintenance of effort*
35 *under federal law, the school district or charter school must receive*
36 an amount of money ~~necessary~~ :

37 (a) *Which equals the amount of money received as the basic*
38 *support guarantee by the school district or charter school for*
39 *Fiscal Year 2017-2018; or*

40 (b) *Which is necessary* to satisfy the requirements for

22 *multiplier described in subsection 3 applies; and*

23 (b) *Conduct such audits as the Department deems necessary to*
24 *ensure that each school district and the State Public Charter*
25 *School Authority has a process in place that accurately determines*
26 *whether a pupil has a disability for which the multiplier described*
27 *in subsection 3 applies.*

28 **Sec. 2.** This act becomes effective on July 1, 2017.
