### Explanation

(Use Additional Sheets of Attachments, if required)

The Department of Conservation and Natural Resources State Historic Preservation Office has reviewed BDR 32-536 (AB370) and determined that it has a fiscal impact but is unable to calculate that impact at this time. It is our understanding that the bill sponsor is proposing amendments to narrow the population of resources and projects eligible for the credit. Once amended, the office will be able to accurately assess the fiscal impact and provide a more in-depth fiscal note at that time.
