City/County: Washoe County Approved by: Jamie Rodriguez, Government Affairs Comment: There would be a fiscal impact, primarily due to the need for an increase in staff needed to address these issues. However without having an idea of the daily/hourly frequency and number of times there is no way to determine how much staff would be needed to address the concerns.

City/County: White Pine County Approved by: Elizabeth Frances , Finance Director Comment: This will require officers to remove spilled cargo and other property from roads and attempt to notify owners. Notifications may be difficult. I am uncertain where it would be moved to and how it would be stored. Therefore, this may result in additional cost to the County but a realistic estimate cannot be made at this time.
