City/County: Clark County Approved by: David Dobrzynski, Asst Director of Finance Comment: Bill would require providing an inmate a photo ID upon release upon request. That ID would become acceptable by the DMV to be issued driver's license, ID card, or instruction permit and fees to obtain those would be waived if requested within 90 days of release. Bill continues to reduce inmate sentences by 5 days for either a GED (or equivalent) or alcohol/drug abuse program completion and would now provide an additional 5 days credit for "meritorious/exceptional" achievement in those programs. No measurable fiscal impact anticipated to Clark County.

City/County: White Pine County Approved by: Elizabeth Frances, Finance Director Comment: This requires the County to provide prisoners ID cards at County expense. It further requires that the County obtain certified documents verifying legal name and age in order to issue the ID cards. This will have adverse impact on the County in the form of increased expense. A reasonable estimate of these costs cannot be made at this time.
