Explanation

(Use Additional Sheets of Attachments, if required)

Section 3 of the BDR requires that the Authority provide the Secretary of State with listing of drivers and that the Secretary of State in-turn, report to the Authority those that do not have a State Business License. Due to the uncertainty of the number of potential noncompliant persons and the continuous monitoring of information provided the Secretary of State by the Authority and continuous reporting of results back to the Authority, we are unable to adequately determine the fiscal effect. Electronic reporting services will have to be developed and additional staff may be required. Without section 3, the BDR has no fiscal effect.
