School District: Clark County School District Approved by: Dillon Kay, Assistant Budget Director Comment: At this time the fiscal impact is difficult to gauge. If the State audit can be completed by existing reporting then the work could be absorbed in the current workflow. If the State requires new reporting and data collection, then CCSD could require additional labor hours, a new position, and/or programming changes.

Approved by: Kelly Wood, Executive Secretary

Comment: This would have a fiscal impact on Nye County School District. The collection of data for the NDE by our board of trustees would incur an expense. The information required is not specified so it is hard to determine the cost. I would estimate the maximum of 1/20 of an administrator per school. All schools test one level or more so all schools would be included
