Local Government Responses
S.B. 287 / BDR 38 - 609

City/County: Washoe County Approved by: Jamie Rodriguez, Management Analyst Comment: There could be a fiscal impact, however with the language in the bill it is not possible to determine the impact to the county.

Cannot Be Determined	\$0	\$0	\$0	\$0

City/County: Clark County Approved by: David Dobrzynski, Asst Director of Finance Comment: This bill would require an agency which provides child welfare services to notify certain entities of a substantiated report relating to the abuse or neglect of a child committed by a school employee or volunteer in certain circumstances; requiring the principal or other administrator of a public school or private school to carry out certain recommendations relating to the protection of a child; requiring school employees and volunteers to report the abuse or neglect of a child by any person; providing a penalty. Additional staffing increases and supports (i.e. office space, equipment, vehicles, training) would be needed in order to accommodate the increase in investigations if an increase in reporting happens as a result of this bill. That cannot be determined at this time.
