School District: Carson City School District Approved by: Andrew J Feuling, Director of Fiscal Services Comment: There would definitely be an impact as it would be another test for us to purchase, but we don't know what the cost would actually be.

Cannot Be Determined	\$0	\$0	\$0	\$0

School District: Douglas County School District Approved by: BSwain, Director of Curriculum Comment: There would be minimal costs to obtain instructional materials to assure that students are prepared to take the assessment.

School District: Clark County School District Approved by: Dillon Kay, Assistant Budget Director Comment: Adding an examination would cost the District an estimated \$50,000 in year 1 and \$15,000 in year 2 and beyond. Year 1 would include development of the test and study materials, adding logic to Infinite Campus, and administering and scoring the exam 3 times throughout the year and summer. Year 2 would include the ongoing costs to administer, score, and provide bi-annual updates to the test.				
Impact	FY 2016-17	FY 2017-18	FY 2018-19	Future Biennia
Has Impact	\$0	\$50,000	\$15,000	\$15,000

School District: Lincoln County School District Approved by: Pam Teel, Superintendent Comment: As long as teachers have license requirements that currently teach this should be be of great impact

School District: Pershing County School District Approved by: Russell D. Fecht, Superintendent Comment: Cannot determine overall impact at this time.

School District: Nye County School District Approved by: Kelly Wood, Executive Secretary Comment: This bill would have minimal fiscal impact on Nye County School District.				
Impact	FY 2016-17	FY 2017-18	FY 2018-19	Future Biennia
No Impact	\$0	\$0	\$0	\$0

School District: Washoe County School District Approved by: Lindsay E. Anderson, Director of Government Affairs Comment: We will need to create a common final for first semester, and two additional versions of the same test. We'll want a committee of teachers to decide on the questions. The fiscal impact of this will be \$180 times 15 teachers in stipend				
Impact	FY 2016-17	FY 2017-18	FY 2018-19	Future Biennia
Has Impact	\$0	\$2,700	\$2,700	\$2,700

School District: White Pine County School District Approved by: Paul Johnson, CFO Comment: Because passing a civics exam would be a graduation requirement, students that do not pass the exam will need some sort of intervention in order to pass and graduate. Government is typically not provided to students until their final year of high school so it would be beneficial to provide a pretest the year prior. The District operates under a 4 day school week so Fridays would be available for remediation. If the District assumes that 20% of high school seniors do not pass the civics exam the first time, then approximately 50 students would require additional services. For the purpose of this estimate, the District has assumed one additional day for two teachers for the second half of the school year. Because this would be considered extra days, the wages would not be compensable under PERS.				
Impact	FY 2016-17	FY 2017-18	FY 2018-19	Future Biennia
Has Impact	\$0	\$13,881	\$14,154	\$28,035
