| School District: White Pine County School District Approved by: Paul Johnson, CFO Comment: Under our current progressive plan of student discipline, a school administrator must make a recommendation to temporarily exclude students from school and/or transportation via recommendation that must be reviewed by the Superintendent. Action is effective upon the Superintendent's decision. This decision is ultimately reviewed by the Board of Trustees. Family is notified immediately and offered an opportunity to meet and confer with the Superintendent. Although a committee is not specified in policy, there is adequate review of the decision. BDR 34-1137 may require an additional layer of review if a committee is required. However, it may be possible to replace a component of the review with the committee. | | | | |
