City/County: Clark County Approved by: David Dobrzynski, Asst Director of Finance Comment: This bill requires a local government to make certain findings before imposing a fee for a business license calculated on the basis of the size of the property on which the business is located. There is no fiscal impact to Clark County as it does not impose fees based on the size of the property of a business.

City/County: **City of Reno**

Approved by: Amber Drlik, Management Analyst

Comment: No impact.

The City of Reno cannot identify any direct fiscal impact as the bill is currently written as the City does not currently impose any business license fee based on property size or square-footage. The restrictions in the bill could limit local government's ability to do so in the future creating a potential fiscal impact that cannot be determined at this time.
