Comment: This would require the County to purchase and install recording equipment as well as provide storage for recordings. A reasonable estimate of these costs is cannot be made at this time but it would result in adverse impact on the County in the form of increased expense.

City/County: **City of Reno**

Approved by: Amber Drlik, Management Analyst

Comment: Has Fiscal Impact

As written, this bill may require the Reno Police Department (RPD) to purchase additional equipment for recording interviews that might occur on site where a crime has been committed rather than at the police station. Also, this bill could potentially create costs associated with the hiring of additional RPD staff to transcribe recordings, book items into evidence, and provide information to the District Attorney's Office.
