Title Deputy Fiscal Analyst

The following responses from local governments were compiled by the Fiscal Analysis Division. The Fiscal Analysis Division can neither verify nor comment on the figures provided by the individual local governments.

Local Government Responses
S.B. 329 / BDR 40 - 361

City/County: City of Henderson Approved by: Mike Cathcart, Business Operations Manager Comment: This bill would limit the ability of local governments to collect business license fees on marijuana businesses within the local government's jurisdiction.				
Impact	FY 2016-17	FY 2017-18	FY 2018-19	Future Biennia
Has Impact	\$0	(\$400,000)	(\$420,000)	(\$890,000)

City/County: City of Las Vegas Approved by: Michelle Thackston, Administrative Assistant Comment: Figures above based on the following data: Fiscal Year 2016-17 The City of Las Vegas would experience a negative impact due to the inability of not being able to charge any licensing fees. Fiscal Year 2017-18 Without the ability to charge any licensing fees there would continue to be a negative impact; Halfway through this fiscal year we would be able to add more dispensaries, estimated to be an additional 12. Therefore the negative impact would increase by a factor of 1.5. Fiscal Year 2018-19 In this fiscal year, all dispensaries would be opened and operating. So the negative impact would increase. Future Biennia--After FY20 all of the dispensaries in the City would be opened and the negative fiscal impact would remain somewhat consistent. This number does not project future growth in the City of Las Vegas and the negative fiscal impact.				
Impact	FY 2016-17	FY 2017-18	FY 2018-19	Future Biennia
Has Impact	\$2,900,000	\$4,350,000	\$5,800,000	\$11,600,000

City/County: City of Sparks Approved by: Jeff Cronk, Financial Services Director Comment: The extent of the fiscal impact is not determinable; however, removing and limiting the ability for cities to impose licensing fees will reduce the amount of revenues that otherwise would be collected by cities and reduce our ability to provide services.				
Impact	FY 2016-17	FY 2017-18	FY 2018-19	Future Biennia
Cannot Be Determined	\$0	\$0	\$0	\$0

City/County: **City of Reno**

Approved by: Tillery Williams , Management Analyst

Comment: As written, (specifically the language in section 58) this bill strips the local jurisdictions' ability to license medical marijuana establishments (MME). The fiscal impact to Reno is \$300,000 per year for the loss in revenue for all active MME privileged licenses. Also, the City would not be able to collect any new MME business licenses fees.

Impact	FY 2016-17	FY 2017-18	FY 2018-19	Future Biennia
Cannot Be Determined	\$0	\$0	\$0	\$0

City/County: **Carson City**

Approved by: Nancy Paulson, CFO

Comment: This will have a negative financial impact of over \$300,000 across all City Departments for inspection, equipment, judicial and enforcement.

Impact	FY 2016-17	FY 2017-18	FY 2018-19	Future Biennia
Has Impact	\$0	\$320,000	\$320,000	\$640,000

City/County: **Churchill County**

Approved by: Eleanor Lockwood, County Manager

Comment: BDR 40-361 is an extensive bill related to the medical use of marijuana. It is not possible for Churchill County to determine a fiscal impact at this time, however, the greatest impacts are likely to law enforcement and the judicial system. One of those concerns is law enforcement having to operate a "warehousing garden" for seized marijuana plants, and having law enforcement burdened with maintaining someone's live plants in evidence while decisions on their right to possess are made.

Impact	FY 2016-17	FY 2017-18	FY 2018-19	Future Biennia
Cannot Be Determined	\$0	\$0	\$0	\$0

City/County: **Clark County**

Approved by: David Dobrzynski, Asst Director of Finance

Comment: This bill revises various provisions relating to the medical use of marijuana; registration of nonprofit medical marijuana dispensaries; maximum amount that the holder of a registry identification card or letter of approval may possess; the growth, cultivation or production as it applies to the registered holder and giving the product to another registered and identified holder in certain circumstances; revising registry identification cards; and growth and handling of industrial hemp and the production of agricultural hemp seed in certain circumstances.

The fiscal impact of this bill cannot be determined at this time.
