Amendment No. 868 removes the punitive damages from the bill and the Nevada Equal Rights Commission (NERC) indicates that this will remove the expenditure previously identified in the original fiscal note. The amendment further provides for penalties and fines imposed by NERC for certain unlawful discriminatory practices be deposited in the General Fund and that civil penalties imposed for certain unlawful employment practices be deposited the NERC Gift Fund for certain purposes. These items may increase revenue; however, the number that may be imposed cannot be determined at this time.
