The Financial Institutions Division has reviewed the bill and determined that the fiscal impact to the agency cannot be determined at this time. Fiscal impact will depend on whether the FID will have to account for, collect and transfer payments to the database vendor/service provider or payments can be made by licensees directly to the vendor for services under Section 4 Sub 2 of the bill that requires the Commissioner to charge and collect a fee from a licensee who is required to enter information into the database to pay for the administration and operation of the database.
