Explanation   (Use Additional Sheets of Attachments, if required)

The department cannot determine a fiscal impact if BDR 27-430 is passed. Due to assent legislation (NRS 501.115 and NRS 501.117, attached) the Nevada Department of Wildlife (NDOW) must get 100% of any NDOW related rebate. Therefore, the department's procurement card purchases rebates resulting must be returned to the department. The risk of not doing this could result in a diversion of funding which could jeopardize federal funds.
