BDR 57-464 (SB18) section 9 provides new penalties for certain prohibited conduct by bail enforcement agents and section 37 revises provisions relating to the apprehension and surrender of a defendant to the custody of a court or governmental agency. Enactment of this bill as introduced would require staff of the General Services Division (GSD) to create 6 new, modify 1 and repeal 1 Nevada Offense Codes (NOCs). The impact cannot be determined until GSD calculates the cumulative total of all legislation from the 2017 session. GSD requests to return to the Interim Finance Committee in the 2017-2019 biennium should the cumulative workload increases necessitate additional staffing.
