City/County: Carson City Approved by: Nancy Paulson, CFO Comment: No fiscal impact to Carson City.

No Impact	\$0	\$0	\$0	\$0

City/County: Churchill County Approved by: Eleanor Lockwood, County Manager Comment: Fiscal impact to Churchill County would be nominal; additional staff time to process the child custody matter.				
Impact	FY 2016-17	FY 2017-18	FY 2018-19	Future Biennia
No Impact	\$0	\$0	\$0	\$0

City/County: Clark County Approved by: David Dobrzynski, Asst. Director of Finance Comment: In order to make another states child custody determination enforceable our current law authorizes a person to register a child custody determination in this state. The court in which the child custody determination is registered is required to serve notice to any parent/person acting as parent who has been awarded custody or visitation. This bill will require the person seeking registration , instead of the court to notify any parent/person who has been awarded custody or visitation. There might be a cost savings to the court for not having to notify the parent/person in this action.				
Impact	FY 2016-17	FY 2017-18	FY 2018-19	Future Biennia
Cannot Be Determined	\$0	\$0	\$0	\$0

City/County: Douglas County Approved by: Bobbie Williams, Court Administrator Comment: After reviewing this bill, I do not believe this legislation would have any negative fiscal impact on the courts or Douglas County. To the contrary, this bill would relieve the courts of the requirement of having to notice a parent when a child custody order from another state is registered by a party in this county. The registering parent would be required to notice the other parent of the registered order.				
Impact	FY 2016-17	FY 2017-18	FY 2018-19	Future Biennia
No Impact	\$0	\$0	\$0	\$0

City/County: **Esmeralda County**

Approved by: LaCinda Elgan , County Clerk and Treasurer

Comment: I don't think this would have an fiscal impact that much, other than the collection of court fees for filing. As the clerk of the court we are not to give out legal advice, so in this case a law library of Attorney would need to have the correct information on the proposed procedure.

City/County: White Pine County Approved by: Elizabeth Frances, Finance Director Comment: This shifts the financial burden of sending required notifications from the court to the person seeking registration/support enforcement. The fiscal impact will be a reduction of expenditures for the courts. The amount cannot reasonably be estimated at this time.
