Local Government Responses
S.B. 67 / BDR 42 - 412

City/County: Clark County Approved by: David Dobrzynski, Asst. Director of Finance Comment: Existing law provides that every building, over 55 feet high, where human occupancy is permitted, to be built to according to building and fire codes which are at least as stringent as those published by the International Code Council. This bill revises the law to exempt counties whose population exceed 700,000. County's code are more stringent that required by existing law so no fiscal impact.
