(Use Additional Sheets of Attachments, if required)

The State Public Charter School Authority (SPCSA) anticipates a fiscal impact if BDR 34-490 is approved as submitted. However, SPCSA is not able to provide estimated fiscal impact due to multiple variables which are unclear at this time.

Per Section 6.4 inclusive, a Superintendent of Public Instruction may request assistance from other governmental entities to carry out provisions of the proposed legislation. As a sponsor of charter schools, if the SPCSA receives any such requests from the Superintendent, there will be associated costs, including personnel, to provide the required assistance. At this time it is unknown the type and volume of requests which may be submitted.
