Local Government Responses
S.B. 94 / BDR 24 - 19

City/County: City of Las Vegas Approved by: Michelle Thackston, Administrative Assistant Comment: Clark County has estimated that the bill proposed will add \$457,000.00 in costs to extend the Voter Registration Deadline (paper applications) and another \$87,000.00 to extend the Voter Registration Deadline (Online Registration- E-Pool Book on Election Day). The City anticipates that a portion of these costs will get passed on to our jurisdiction as they currently charge us for running our elections. The fiscal impact to the City of Las Vegas cannot be determined at this time.

City/County: **Douglas County**

Approved by: Kathy Lewis, Douglas County Clerk/Treasurer

Comment: The unknown cost is the county share of a statewide real-time voter system that allows the county to process same day registration.

City/County: **Churchill County**

Approved by: Eleanor Lockwood, County Manager

Comment: If BDR 24-19 passed, there would be a fiscal impact to Churchill County, estimated at a minimum of \$2,250 for additional staff wages paid during voter registration through Early Voting and on Election Day. There is further concern that the proposed voter registration changes will open up Nevada to voter fraud issues.

Sections 3 & 17 will allow electors to register to vote on Election Day for Primary and General, County or Municipal elections. Elector will only be able to vote at the site in which the register the day of. Section 2 allows 17 year old who will be 18 at the time of an election to register to vote. Sections 9 and 21 require permanent polling places to remain open on Sundays for 4 hours during the duration of Early Voting. City/County: **Esmeralda County**

Approved by: LaCinda Elgan, Esm Co Clerk and Treas.

Comment: I'm not sure if there would be a fiscal impact, however I'm concerned about the same day registration. I believe that it would be chaotic and the confidence of knowing for sure that the person is an eligible, qualified voter. Also, we are also setting up elections starting on that Friday before the election so that are polling locations have all the equipment needed and that the machines are set up and ready to go. In short, I'm not in favor of this BDR.

City/County: White Pine County Approved by: Elizabeth Frances, Finance Director Comment: Will require additional staffing throughout the election process to provide for extended voter registration as well as voter registration on the day of elections. It would also require the County to establish and maintain a system to distribute sample ballots by electronic means. This would adversely impact the County in the form of increase expense. Some of the expense may be offset by lower postage costs on sample ballots. A reasonable estimate cannot be made at this time.
