City/County: <b>Churchill County</b> Approved by: Eleanor Lockwood, County Manager Comment: If this Bill passes there will be an increase in the workload of the Sheriff's Office to ensure reporting is done in a timely manner. City/County: <b>Clark County</b> Approved by: David Dobrzynski, Asst. Director of Finance Comment: This bill deals with a multitude of changes to the Central Repository for Nevada Records of Criminal History. Some of the proposed changes require additional information to be reported to the Central Repository which would require additional county staff time to collect and transmit. While there'd be additional cost involved with staffing because of the changes in this bill, we cannot estimate the volume of instances nor the additional workload in units of time as the bill leaves it very open ended as to the specifics of what additional information must be reported. Additionally, the fiscal impact of the proposed deleted language effectively prohibiting the sharing of criminal history cannot be calculated due to unknown variables, though it'd certainly result in a negative fiscal impact.
