State Agency: **Colorado River Commission of Nevada**

Approved by: Douglas Beatty, Administrative Services Office

Comment: The agency use of purchasing cards is minimal, annually under \$5,000. Rebate is not considered when purchasing decisions are made (rebate cannot be calculated at time of purchase) therefore purchases will be made as needed in any case. Rebate expected to be received from agency procurement card use is anticipated to be significantly less than \$100. No material impact to the agency.

State Agency: **Department of Administration**

Approved by: Evan Dale, Administrator

Comment: The Department of Administration reviewed the bill and estimated the impact on the State as a whole. The estimate is based on charge card rebates received in fiscal year 2017 totaling \$311,235. Under existing practice, the rebate is allocated in proportion to the budgeted revenue sources for each budget account. Section 1 of the bill would reduce those amounts by 50% and increase revenues for the Account to Stabilize the Operation of State Government by the same amount. Section 3 of the bill defines "procurement card" as a charge card issued to a using agency for the purchase of goods and services. Therefore, this analysis includes rebates related to purchase cards, travel cards and individual cards.

State Agency: Gaming Control Board Approved by: Jaime Black, Senior Research Specialist Comment: The agency has reviewed the bill and determined there is no fiscal impact, as the NGCB and NGC, to date, have not received a credit card rebate. The Department of Administration has previously determined the NGCB/NGC are a "general fund agency" and, as such, has always retained the rebate.

State Agency: **Nevada Commission on Ethics**

Approved by: /s/ Yvonne M. Nevarez-Goodson, Executive Director

Comment: This bill does not provide sufficient information regarding the amount or percentage of any rebate for purchases made with a procurement card. However, the Commission's use of its procurement card is extremely limited and fairly nominal, not exceeding approximately \$5,000/FY. Depending on the scope or percentage of the rebate, Fifty Percent of such rebate would likely be negligible and have no substantial impact.

State Agency: **Nevada Department of Agriculture**

Approved by: Debra Crowley, Fiscal Administrator

Comment: NO Fiscal Impact. NDA has not received any rebates since we started to use the P-Cards. If NDA does receive any rebates in the future it is anticipated to be so small as to not have a fiscal impact. The average amount of purchases under the P-Card are approximately \$300. For example; A .005% (more than some banks interest earned) return on \$300 dollar purchase would amount to \$1.50.

No Impact	\$0	\$0	\$0	\$0

State Agency: **Nevada Department of Corrections**

Approved by: Scott Ewart, Chief of Fiscal Services

Comment: The Nevada Department of Corrections (NDOC) has reviewed BDR 27-430, which amends Chapter 333 of the NRS with a new section proposing to divide rebates received by state agencies from procurement card purchases equally between the account to stabilize the operation of the State Government and the state agency making the purchase. The Administrative Services Division (ASD) currently receives all such rebates. The ASD requested of the Legislative Council Bureau (LCB) if a single Fiscal Note may be submitted covering the fiscal impact for all state agencies. LCB agreed and is expecting a joint response from the ASD. The NDOC response to this Fiscal Note is submitted as 'included in joint response'.

Impact	FY 2016-17	FY 2017-18	FY 2018-19	Future Biennia
No Impact	\$0	\$0	\$0	\$0

State Agency: **Nevada Department of Education**

Approved by: Andrea McCalla, ASO III

Comment: Although the agency doesn't currently have procurement cards, there may be some issues with purchases being made with federal funds and those funds being placed in the Rainy Day fund. The division cannot determine a fiscal impact if BDR 27-430 is passed. Some of the division's procurement card purchases were made with federal funds and any rebates resulting from those purchases must be returned to the grantor. Rebates associated with purchases made with General Funds will be reverted by the Department of Administration, therefore only rebates from purchases made with non-General Fund or non-federal funds will be retained.

Procedures will be developed to track the source of the expenditures paid with a procurement card, but will not result in the need for additional expenditure authority.

Approved by: Heidi Haartz, Assistant Budget Director

Comment: According to the Board of Regents Handbook (Title 4, Chapter 10, Page 2), NRS 333.470 exempts the Nevada System of Higher Education (NSHE) from the general provisions of the State Purchasing Act. Therefore, the proposed legislation would have no fiscal impact on NSHE.

State Agency: **Department of Motor Vehicles, Management Services and Programs Division**

Approved by: Cyndie Munoz, Administrator

Comment: BDR 27-430 amends Chapter 333 of the Nevada Revised Statutes to provide for the disposition of rebates for purchases made with procurement cards. The amendment also further defines that after deducting administrative costs: (1) 50 percent of any such rebate is deposited into the Account to Stabilize the Operation of the State Government, also known as the Rainy Day Fund; and (2) the other 50 percent is given to the state agency that made the purchase.

Procurement cards are not frequently utilized for Department of Motor Vehicles' purchases and rebates that occur from procurement card purchases would be handled using the existing work program process. The department anticipates this will have no known fiscal impact on the Department of Motor Vehicles.

This bill would become effective July 1, 2017.
