Explanation

(Use Additional Sheets of Attachments, if required)

The State Treasurer's Office has reviewed BDR 33-267 and determined there is no fiscal impact to our office.

Currently, the fiscal note for the debt area would be zero. However this bill in and of itself does not create the need for additional employees in the debt area but cumulatively adding another program to an already over capacity workload could in the future necessitate the Treasurer's Office requesting an additional employee in the future.
