#### Explanation

(Use Additional Sheets of Attachments, if required)

This BDR will have a fiscal impact on the DOI due to the translation costs for the current producer exams. There are seven exams: life, health, property, casualty, bail, personal lines and exchange enrollment facilitator. Each of these exams will need an initial translation and publication. The estimate for that process is \$7500 for each exam. The cost for the subsequent annual reviews, replacement and republication is estimated to be \$3500 for each exam.
