City/County: White Pine County Approved by: Elizabeth Frances, Finance Director Comment: The County places a very high value on protecting and preserving its natural resources. This information cannot be ascertained at this time and therefore a determination cannot be made as to fiscal impact on the County.

School District: White Pine School District Approved by: Paul Johnson, CFO Comment: If the funds are used in a manner that preserves natural resources without restricting development, the bonds may be beneficial. In mining based economies, preservation and economic development are sometimes in conflict. If preservation locks land so it can no longer be developed, this may adversely affect economic development that would affect future revenue.
