BDR 54-213 sections 26, 27, and 45 adds "advanced practice registered nurse" as a person who is authorized and required to; accurately execute a certificate of death, record a determination of terminal condition. Section 54 changes the "Physician Order for Life-Sustaining Treatment form" or POLST to "Provider Order for Life-Sustaining Treatment form". Enactment of this bill as introduced would require staff of the General Services Division (GSD) to create 2 new, modify 2, and repeal 2 Nevada Offense Codes (NOCs). The impact cannot be determined until GSD calculates the cumulative total of all legislation from the 2017 session. GSD requests to return to the Interim Finance Committee in the 2017-2019 biennium should the cumulative workload increases necessitate additional staffing.
