BDR 43-673 (Bill) amends "Full Legal Name" in existing law of NRS 483 and NRS 486 to "Full Name". The bill adds all decrees or certificates filed with a court of competent jurisdiction, that change an individual's name, be submitted to the Department of Motor Vehicles not more than 30 days after the date of the order. The names of affected individuals are then allowed the following choices in changing one's name:

- 1.) Change his or her last name to the last name of one of his or her family name,
- 2.) Use his or her last name hyphenated with the last name of the family, or
- 3.) Replace one's middle name with his or her last name and use his or her last name of the family as the last name.

There are no other changes required to be completed for this BDR; however, the DMV will need to go on record stating that amending the term Full Legal Name to Full Name, would contradict the definitions of the Federal Real ID Act 2005 and adding a 30 day submission deadline, of name change documentation, may not be feasible to some individuals circumstances.

This will not have a fiscal impact on the Department of Motor Vehicles.
