BDR 43-692 (A.B. 252) would permit peace officers, as defined by NRS 289.150 to NRS 289.360 inclusive, to use an alternate address on their Identification (ID) Card, Driver's License (DL) or Commercial Driver's License (CDL) pending approval by the Department of Motor Vehicles (DMV). All active peace officers must use the address of their employer. Retired peace officers must use an address as proven satisfactory by the DMV. Any active or retired peace officer who ceases to qualify for the alternative address shall notify the DMV within thirty days after no longer meeting the eligibility requirements and may apply for a replacement ID, DL or CDL.

DMV procedures currently allow active peace officers to select an alternate address to be placed on the face of the DL, ID or CDL based on the exceptions provided for in the Federal Real ID Act of 2005. With the implementation of this Bill, the DMV will acquire statutory authority to broaden the scope of person(s) covered and further solidify the program.

The DMV will need to create new regulations and make minor adjustments to forms. These costs will be absorbed by the DMV. Under these circumstances, the proposed implementation date of 07/01/2017 can be met.
