BDR 43-94 section 4 repeals language to existing statute regarding traffic approaching an authorized emergency vehicle which is stopped and is making use of flashing lights or a tow car which is stopped and is making use of flashing lights; adds language regarding any driver approaching any traffic incident; violation is a misdemeanor crime. Enactment of this bill draft request as introduced would require staff of the General Services Division (GSD) to create 6 new sub-types, create 6 new, and repeal 6 Nevada Offense Codes (NOCs). The impact cannot be determined until GSD calculates the cumulative total of all legislation from the 2017 session. GSD requests to return to the Interim Finance Committee in the 2017-2019 biennium should the cumulative workload increases necessitate additional staffing.
