2. Unless otherwise specified, the per diem locality is defined as "all locations within, or entirely surrounded by, the corporate limits of the key city, including independent entities located within those boundaries."
3. Per diem localities with county definitions shall include "all locations within, or entirely surrounded by, the corporate limits of the key city as well as the boundaries of the listed counties, including independent entities located within the boundaries of the key city and the listed counties (unless otherwise listed separately)."
4. When a military installation or Government-related facility (whether or not specifically named) is located partially within more than one city or county boundary, the applicable per diem rate for the entire installation or facility is the higher of the rates which apply to the cities and/or counties, even though part(s) of such activities may be located outside the defined per diem locality.
5. *Meals and Incidental Expenses*, see Breakdown of M&IE Expenses for important information on first and last days of travel.

Important Fare & Schedule Information

All fares and fare ranges are subject to change until purchased.

Flight ontime performance statistics can be viewed by clicking on the individual flight numbers.

All fares and fare ranges listed are per person for each way of travel.

"Unavailable" indicates the corresponding fare is unavailable for the selected travel date(s), the search did not meet certain fare requirements, or the flight has already departed.

"Sold Out" indicates that the flight is sold out for the corresponding fare type or the number of passengers in your reservation exceeds the number of remaining available seats for the corresponding fare type.

"Invalid w/ Depart or Return Dates" indicates that our system cannot return a valid itinerary option(s) with the search criteria submitted. This can occur when flights are sold out in one direction of a roundtrip search or with a same-day roundtrip search. These itineraries may become valid options if you search with a different depart or return date and/or for a one way flight instead.

"Travel Time" represents the total elapsed time for your trip from your departure city to your final destination including stops, layovers, and time zone changes.

Along with our everyday low fares you may inquire about our discounts off the "Anytime" fare for infant, child (2-11), and military fares by calling 1-800-I-FLY-SWA (1-800-435-9792).
