Explanation

(Use Additional Sheets of Attachments, if required)

The Bill is proposing that the Board of County Commissioners of Clark County may increase the Room Tax by an additional 2% to fund school capital. The tax would be Countywide.

There is no direct fiscal impact to Clark County as proceeds would go to School District IF Clark County increases the room tax (this bill does not make it mandatory that the County impose this additional tax).

The Countywide Room tax rate is now 13.88% after the Stadium room tax portion has been implemented.
