Explanation

(Use Additional Sheets of Attachments, if required)

This BDR requires the Division of Public and Behavioral Health of the Department of Health and Human Services to provide training to certain persons concerning the rights of persons holding a registry identification card or letter of approval and to adopt regulations necessary to provide such training; requiring certain persons to complete such training annually; providing that the odor of marijuana upon certain persons does not alone constitute probable cause to search the person or the person's property or subject the person or the person's property to inspection; revising provisions relating to prohibited acts by a person while driving or being in actual physical control of a vehicle or commercial motor vehicle on a highway or on premises to which the public has access or while operating or being in actual physical control of a vessel under power or sail on the waters of this State; providing for the testing of the saliva of the holder of a valid registry identification card to determine the presence of marijuana therein under certain circumstances; requiring the Committee on Testing for Intoxication to certify a device used for testing the saliva of a person; authorizing the Committee to adopt regulations relating to such devices; and providing other matters properly relating thereto. Based on these requirements NDA believes that our enforcement officer could be subject to annual training. See cost detail.
