Explanation

(Use Additional Sheets of Attachments, if required)

While Section 46 of the BDR would require copies of regulations governing vehicular and pedestrian traffic on all property owned or used by the Nevada System of Community Colleges created in the BDR to be filed with the Office of the Secretary of State, the Office does not anticipate that these filings would result in a fiscal impact to the Office. The Office currently has systems in place to accept filings of various types and would utilize those systems to file the regulations specified in Section 46 of the BDR.
