#### Explanation

(Use Additional Sheets of Attachments, if required)

BDR 24-16 Redo 2 (AB389) section 9 requires every person, including, without limitation, an election board officer, deputy clerk and an employee of the county clerk or city clerk who will have access to rosters, ballots, mechanical recording devices, ballot boxes or container in which ballots are deposited or transported must submit to the county clerk or city clerk a complete set of fingerprints and written permission authorizing the county clerk or city clerk, as applicable, to forward the fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation (FBI). Because the General Services Division (GSD) has no way to estimate the number of individuals this requirement could cover a definitive cost estimate cannot be provided at this time. The cumulative impact to the division's Criminal History Repository resulting from applicant submission of fingerprint based background checks must be considered. GSD requests to return to the Nevada Legislature's Interim Finance Committee in the 2017-2019 biennium should workload increases necessitate additional staffing. Also, if this bill is enacted the FBI will need to review and approve the language pursuant to Public Law 92-544 as a condition of releasing its criminal history records.
