**Legislative Counsel's Digest:**

Existing law establishes provisions governing lotteries, including charitable lotteries. (Chapter 462 of NRS) Existing law also establishes provisions governing charitable games, including: (1) games operated by charitable or educational organizations; and (2) charitable bingo games operated by qualified organizations. (NRS 463.409-463.40965) This bill incorporates charitable games into the provisions of law governing charitable lotteries for the purpose of treating all charitable gaming in the same manner. **Section 29** of this bill repeals the current provisions of law relating to charitable games.

**Section 3** of this bill defines the term “charitable game” as a bingo, poker or blackjack game that is operated by a qualified organization. **Section 12** of this bill revises the definition of “qualified organization” to: (1) specify that such an organization must be certified by the Department of Taxation or the Internal Revenue Service as not operated for profit; and (2) exclude political organizations.

**Section 14** of this bill authorizes a qualified organization to operate a charitable lottery if: (1) the qualified organization is registered by the Chair of the Nevada Gaming Control Board to operate a charitable lottery; and (2) the total value of all the prizes offered in charitable lotteries operated by the qualified organization during the same calendar year, including the value of all unclaimed cash prizes, does not exceed \$500,000 or, if the qualified organization is a qualified professional sports organization, does not exceed \$2,000,000. **Section 5** of this bill sets forth the requirements that must be satisfied for a qualified organization to operate a charitable game without obtaining a gaming license.

**Section 15** of this bill requires the Chair to register a qualified organization to operate a charitable lottery or charitable game if certain requirements are satisfied. **Section 16** of this bill sets forth the items that a qualified organization must submit to register with the Chair to operate a charitable lottery or charitable game. **Section 16** also requires the Commission, upon recommendation by the Board, to adopt regulations establishing the fees that a qualified organization must submit to the Chair for the purpose of such registration. **Section 13** of this bill requires the Nevada Gaming Commission, upon the recommendation of the Board, to adopt regulations providing a procedure to appeal the denial of the registration to operate a charitable lottery or charitable game by the Chair.

**Section 18** of this bill prohibits the Chair from registering a qualified organization to operate a charitable lottery or charitable game outside this State.

**Section 18** authorizes statewide ticket sales and online sales upon approval by the Chair, but requires that all lottery ticket sales be limited to persons who are physically located within this State at the time of purchase.

**Section 17** of this bill provides that if the Commission finds that a person associated with a qualified organization is unsuitable to be associated with the operation of a charitable lottery or charitable game, any contract or agreement between the associated person and the qualified organization for the provision of personal services to the qualified organization or for conducting any activity relating to the operation of a charitable lottery or charitable game is deemed to be terminated without liability on the part of the qualified organization.

**Section 19** of this bill removes the provision that prohibits a qualified organization from providing compensation to a person who is not a regular employee of the organization. **Section 20** of this bill prohibits a qualified organization from contracting with certain vendors for the operation of a charitable lottery or charitable game. **Section 20** also requires a qualified organization registered with the Chair to submit to the Chair a financial report on a charitable lottery or charitable game upon request.

**Section 4** of this bill provides that the State of Nevada, the Board, the Commission and certain other persons are immune from any civil liability for any decision or action taken in good faith and without malicious intent in carrying out the provisions of law relating to charitable gaming.

Existing law: (1) establishes various unauthorized acts relating to lotteries; and (2) provides that a person who commits any such act is guilty of a misdemeanor. (NRS 462.250, 462.260, 462.280-462.300, 462.320) **Sections 21-26** of this bill increase the penalty for the commission of any such act to a gross misdemeanor.
