Existing law prohibits involuntary servitude, assuming ownership over a person, the purchase or sale of a person, trafficking in persons, pandering and living from the earnings of a prostitute. (NRS 200.463-200.465, 200.467, 200.468, 201.300, 201.320) **Sections 1 and 3** of this bill define victims of those crimes as "victims of human trafficking," and **section 5** of this bill defines the commission of those crimes as "human trafficking."

Section 1 requires a law enforcement officer, a district attorney or a deputy thereof or the Attorney General or a deputy thereof, as soon as possible after his or her initial encounter with a possible victim of human trafficking, to make a

preliminary assessment of whether the victim is: (1) eligible under existing law for certain compensation and assistance provided to victims of crime; and (2) eligible for certification under existing federal law as a victim of a severe form of trafficking in persons. If the law enforcement officer, the district attorney or a deputy thereof or the Attorney General or a deputy thereof believes the person is eligible for certification as a victim of a severe form of trafficking in persons, section 1 requires the law enforcement officer, the district attorney or a deputy thereof or the Attorney General or a deputy thereof to notify the person and, upon request, to provide the person with certain immigration forms. Section 1 also requires the law enforcement officer, the district attorney or a deputy thereof or the Attorney General or a deputy thereof to notify the Division of Child and Family Services of the Department of Health and Human Services if the possible victim of human trafficking is less than 18 years of age or the Aging and Disability Services Division of the Department if the possible victim is an older person or a vulnerable person.

Section 2 of this bill: (1) requires an owner or operator of certain establishments or facilities to post an informational sign regarding the National Human Trafficking Hotline obtained from the Department of Transportation or the Department of Business and Industry; and (2) provides that an owner or operator who fails to post the required informational sign must be given a warning and 24 hours to comply for a first violation and is guilty of a misdemeanor and subject to a fine not to exceed \$500 for a second or subsequent violation.

Section 3 requires the Department of Health and Human Services to develop a statewide plan for the delivery of services to victims of human trafficking.

Section 5 requires the Department of Education and the State Board of Education to develop and distribute certain informational material relating to the human trafficking of children.
