AN ACT relating to education; requiring a school to provide a plan of action based on restorative justice before suspending or expelling a pupil; prohibiting certain pupils from being suspended or expelled in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law excepts certain classes of persons from criminal liability, including: (1) children under the age of 8 years; (2) children between the ages of 8 years and 10 years unless the child is charged with certain serious crimes; and (3) children between the ages of 8 years and 14 years in the absence of clear proof that the child knew at the time of committing an act that it was wrong. (NRS 194.010)

Under existing law, a pupil is required to be expelled or suspended from a public school if he or she commits a battery which results in the bodily injury of an employee of the school or sells or distributes any controlled substance in certain circumstances. (NRS 392.466) Existing law authorizes the expulsion or suspension of a pupil who: (1) is deemed a habitual disciplinary problem; or (2) participates in a program of special education in certain circumstances upon review of the board of trustees of the school district in which the pupil is enrolled. (NRS 392.466, 392.467) Existing law also authorizes the board of trustees of a school district to expel or suspend a pupil from a public school in the school district, but prohibits the board of trustees from expelling, suspending or removing a pupil solely because the pupil is deemed a truant. (NRS 392.467)

Section 3 of this bill, with certain exceptions, requires a school to provide a plan of action based on restorative justice to a pupil before suspending or expelling the pupil. **Sections 7 and 8** of this bill prohibit the expulsion or suspension of a pupil who is excepted from criminal liability except in certain limited circumstances. **Section 7** requires a public school to provide a plan of action based on restorative justice to a pupil who engages in certain actions and is not excepted from criminal liability before expelling or suspending the pupil. **Section 7**

* A B 1 6 8 *

authorizes a school to expel a pupil without providing such a plan of action if the pupil subsequently engages in another prohibited action. **Section 7** also requires a public school that removes a pupil from school and places the pupil in another kind of school to explain what services will be provided to address the specific needs and behaviors of the pupil at the new school that the current school is unable to provide. **Section 8** prohibits the board of trustees of a school district from expelling, suspending or removing a pupil solely for offenses related to attendance. **Sections 4-6** of this bill make conforming changes.

Existing law prohibits a pupil who is participating in a program of special education from being suspended from school for more than 10 days or permanently expelled unless the board of trustees of the school district in which the pupil is enrolled has reviewed the circumstances and determined that the action complies with federal law relating to pupils with disabilities. (NRS 392.466, 392.467) **Sections 7 and 8** reduce the number of days that such a pupil can be suspended without a review of the circumstances of the suspension by the board of trustees from 10 to 5.

Existing law authorizes the expulsion, suspension or removal of a pupil of a charter school or university school for profoundly gifted pupils in certain circumstances. (NRS 388A.495, 388C.150) **Sections 1 and 2** of this bill apply similar provisions relating to the discipline of such pupils as are applied to pupils in other public schools by **sections 3, 7 and 8**.
