AN ACT relating to taxation; authorizing the board of county commissioners of certain counties to provide for reimbursements to be made to retailers of motor vehicle fuel and special fuel for certain fuel taxes imposed in those counties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes counties to impose certain taxes on motor vehicle fuels and special fuels used in motor vehicles. (Chapter 373 of NRS) Under existing law, certain taxes on motor vehicle fuels and special fuels used in motor vehicles which are imposed by a county are automatically increased each year based upon certain measures of inflation. (NRS 373.065, 373.066, 373.0663)

This bill authorizes the board of county commissioners in a county in which these taxes are imposed to adopt an ordinance establishing a program to reimburse certain retailers of motor vehicle fuel and special fuel for a portion of the taxes which were included in the cost of motor vehicle fuel and special fuel purchased by the retailers. Under this bill, the reimbursements must be paid from money belonging to the county other than the proceeds of the taxes on motor vehicle fuel and special fuel received by the county. An ordinance adopted pursuant to this bill is required to: (1) provide for payments to each retailer in the county who is placed

at a competitive disadvantage to retailers located in another county in this State or in another state by the taxes because the retailer is located in an area of the county that is near the border of another county or state; (2) establish the amount of the payment to each retailer, which may not exceed the amount of the tax included in the cost of the motor vehicle fuel and special fuel purchased from the supplier; and (3) require the payment to be made by the county treasurer from money other than the proceeds of the tax received by the county on a monthly basis.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
