AN ACT relating to powers of attorney; defining the term “nondurable” for certain purposes relating to powers of attorney; revising provisions relating to powers of attorney for certain financial matters and health care; revising provisions relating to the Nevada Lockbox; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law sets forth the Uniform Power of Attorney Act which authorizes a person to grant authority to an agent to act for the person in certain matters relating to financial decisions. (NRS 162A.200-162A.660) Existing law also sets forth provisions governing durable powers of attorney for health care decisions. (NRS 162A.700-162A.865) Existing law provides that “durable” means a power of attorney is not terminated by the incapacity of a principal. (NRS 162A.040) Additionally, existing law sets forth the circumstances under which a guardian may be appointed after a power of attorney has been executed. (NRS 162A.250, 162A.800)

Section 1 of this bill defines the term “nondurable” as a power of attorney that terminates upon the incapacity of a principal. **Section 2.5** of this bill revises the term “incapacity” to provide that such incapacity must be determined by a court of competent jurisdiction or, if an instrument executed pursuant to chapter 162A of NRS specifically provides a different method for determining incapacity, by the method set forth in that instrument. **Sections 3 and 4** of this bill set forth the circumstances under which a guardian is appointed after the proper execution of a: (1) durable power of attorney for both financial matters and health care; and (2) nondurable power of attorney for both financial matters and health care.

Existing law establishes provisions relating to the Nevada Lockbox, which is a registry authorized to be established and maintained on the Secretary of State’s Internet website in which a person may register a will or certain other documents. (NRS 225.300-225.440) Existing law specifically provides a form for a power of attorney for health care. (NRS 162A.860) **Section 5** of this bill revises the form by

informing the principal that the principal may request a power of attorney for health care be electronically stored in the Nevada Lockbox to allow access by authorized providers of health care. **Section 5** also provides additional desires specific to possible health care decisions.

Section 7 of this bill provides that a durable power of attorney for health care, executed pursuant to existing law, constitutes a valid declaration governing the withholding or withdrawal of life-sustaining treatment.
