

CHAPTER.....

AN ACT relating to construction; revising provisions relating to the information required to be included in a notice of a constructional defect; removing provisions requiring the presence of an expert during an inspection of an alleged constructional defect; establishing provisions relating to a claimant pursuing a claim under a builder's warranty; removing certain provisions governing the tolling of statutes of limitation and repose regarding actions for constructional defects; revising provisions relating to the recovery of damages proximately caused by a constructional defect; increasing the period during which an action for the recovery of certain damages may be commenced; revising the prohibition against a unit-owners' association pursuing an action for a constructional defect unless the action pertains exclusively to the common elements of the association; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that before a claimant commences an action or amends a complaint to add a cause of action for a constructional defect against a contractor, subcontractor, supplier or design professional, the claimant: (1) is required to give written notice to the contractor; and (2) if the contractor is no longer licensed or acting as a contractor in this State, is authorized to give notice to any subcontractor, supplier or design professional known to the claimant who may be responsible for the constructional defect. Existing law also requires that such a notice identify in specific detail each defect, damage and injury to each residence or appurtenance that is the subject of the claim. (NRS 40.645) **Section 2** of this bill instead requires that such a notice specify in reasonable detail the defects or any damages or injuries to each residence or appurtenance that is the subject of the claim.

Existing law requires that after notice of a constructional defect is given by a claimant to a contractor, subcontractor, supplier or design professional, the claimant and, if the notice includes an expert opinion concerning the alleged constructional defect, the expert or his or her representative with knowledge of the alleged defect must: (1) be present when a contractor, subcontractor, supplier or design professional conducts an inspection of the alleged constructional defect; and (2) identify the exact location of each alleged constructional defect. (NRS 40.647) **Section 3** of this bill removes the requirement that an expert who provided an opinion concerning the alleged constructional defect or his or her representative be present at an inspection and revises certain other requirements.

Existing law provides that if a residence or appurtenance that is the subject of a claim is covered by a homeowner's warranty purchased by or on behalf of the claimant: (1) the claimant is prohibited from sending notice of a constructional defect or pursuing a claim for a constructional defect unless the claimant has submitted a claim under the homeowner's warranty and the insurer has denied the claim; and (2) notice of a constructional defect may only include claims that were denied by the insurer. (NRS 40.650) **Section 4** of this bill removes such provisions, and **section 1.5** of this bill replaces the term "homeowner's warranty" with

“builder’s warranty” and clarifies that such a warranty is not a type of insurance. **Section 4** provides that if a residence or appurtenance that is the subject of a claim is covered by a builder’s warranty, the claimant is required to diligently pursue a claim under the builder’s warranty. **Section 5.5** of this bill makes conforming changes.

Existing law also provides that if a residence or appurtenance that is the subject of a claim is covered by a homeowner’s warranty purchased by or on behalf of the claimant, statutes of limitation or repose are tolled from the time the claimant submits a claim under the homeowner’s warranty until 30 days after the insurer rejects the claim, in whole or in part. (NRS 40.650) **Section 4** removes this provision.

Existing law establishes the damages proximately caused by a constructional defect that a claimant is authorized to recover, including additional costs reasonably incurred by the claimant for constructional defects proven by the claimant. (NRS 40.655) **Section 5** of this bill removes the requirement that such costs be limited to constructional defects proven by the claimant.

Existing law prohibits an action for the recovery of certain damages against the owner, occupier or any person performing or furnishing the design, planning, supervision or observation of construction, or the construction of an improvement to real property, from being commenced more than 6 years after the substantial completion of such an improvement. (NRS 11.202) **Section 7** of this bill increases such a period to 10 years after the substantial completion of such an improvement. **Section 7** also: (1) authorizes such an action to be commenced at any time after the substantial completion of such an improvement if any act of fraud caused a deficiency in the design, planning, supervision or observation of construction or the construction of such an improvement; and (2) exempts lower-tiered subcontractors from such an action in certain circumstances.

Existing law prohibits a unit-owners’ association from instituting, defending or intervening in litigation or in arbitration, mediation or administrative proceedings in its own name on behalf of itself or units’ owners relating to an action for a constructional defect unless the action pertains exclusively to common elements. (NRS 116.3102) **Section 8** of this bill requires that such an action for a constructional defect pertain to: (1) common elements; (2) any portion of the common-interest community that the association owns; or (3) any portion of the common-interest community that the association does not own but has an obligation to maintain, repair, insure or replace because the governing documents of the association expressly make such an obligation the responsibility of the association.

Existing law authorizes a unit-owners’ association to enter the grounds of a unit to conduct certain maintenance or remove or abate a public nuisance, or to enter the grounds or interior of a unit to abate a water or sewage leak or take certain other actions in certain circumstances. (NRS 116.310312) **Section 8.5** of this bill provides that such provisions do not give rise to any rights or standing for a claim for a constructional defect.

The executive board does not have a duty to take enforcement action if it determines that, under the facts and circumstances presented:

(a) The association's legal position does not justify taking any or further enforcement action;

(b) The covenant, restriction or rule being enforced is, or is likely to be construed as, inconsistent with current law;

5. Notwithstanding any provision of this chapter or the governing documents to the contrary, an association may not impose any assessment pursuant to this chapter or the governing documents on the owner of any property in the common-interest community

that is exempt from taxation pursuant to NRS 361.125. For the purposes of this subsection, "assessment" does not include any charge for any utility services, including, without limitation, telecommunications, broadband communications, cable television, electricity, natural gas, sewer services, garbage collection, water or for any other service which is delivered to and used or consumed directly by the property in the common-interest community that is exempt from taxation pursuant to NRS 361.125.

Sec. 8.5. NRS 116.310312 is hereby amended to read as follows:

116.310312 1. A person who holds a security interest in a unit must provide the association with the person's contact information as soon as reasonably practicable, but not later than 30 days after the person:

(b) Records or has recorded on his or her behalf a notice of a breach of obligation secured by the unit and the election to sell or have the unit sold pursuant to NRS 107.080.

2. If an action or notice described in subsection 1 has been filed or recorded regarding a unit and the association has provided the unit's owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association, including its employees, agents and community manager, may, but is not required to, enter the grounds of the unit, whether or not the unit is vacant, to take any of the following actions if the unit's owner refuses or fails to take any action or comply with any requirement imposed on the unit's owner within the time specified by the association as a result of the hearing:

(a) Maintain the exterior of the unit in accordance with the standards set forth in the governing documents, including, without limitation, any provisions governing maintenance, standing water or snow removal.

(b) Remove or abate a public nuisance on the exterior of the unit which:

(1) Is visible from any common area of the community or public streets;

(2) Threatens the health or safety of the residents of the common-interest community;

(3) Results in blighting or deterioration of the unit or surrounding area; and

(4) Adversely affects the use and enjoyment of nearby units.

3. If:

(a) A unit is vacant;

(b) The association has provided the unit's owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031; and

(c) The association or its employee, agent or community manager mails a notice of the intent of the association, including its employees, agents and community manager, to maintain the exterior of the unit or abate a public nuisance, as described in subsection 2, by certified mail to each holder of a recorded security interest encumbering the interest of the unit's owner, at the address of the holder that is provided pursuant to NRS 657.110 on the Internet website maintained by the Division of Financial Institutions of the Department of Business and Industry,

➤ the association, including its employees, agents and community manager, may enter the grounds of the unit to maintain the exterior of the unit or abate a public nuisance, as described in subsection 2, if the unit's owner refuses or fails to do so.

4. If a unit is in a building that contains units divided by horizontal boundaries described in the declaration, or vertical boundaries that comprise common walls between units, and the unit is vacant, the association, including its employees, agents and community manager, may enter the grounds and interior of the unit to:

(a) Abate a water or sewage leak in the unit and remove any water or sewage from the unit that is causing damage or, if not immediately abated, may cause damage to the common elements or another unit if the unit's owner refuses or fails to abate the water or sewage leak.

(b) After providing the unit's owner with notice but before a hearing in accordance with the provisions of NRS 116.31031:

(1) Remove any furniture, fixtures, appliances and components of the unit, including, without limitation, flooring, baseboards and drywall, that were damaged as a result of water or mold damage resulting from a water or sewage leak to the extent such removal is reasonably necessary because water or mold damage threatens the health or safety of the residents of the common-interest community, results in blighting or deterioration of the unit or the surrounding area and adversely affects the use and enjoyment of nearby units, if the unit's owner refuses or fails to remediate or remove the water or mold damage.

(2) Remediate or remove any water or mold damage in the unit resulting from the water or sewage leak to the extent such remediation or removal is reasonably necessary because the water or

mold damage threatens the health or safety of the residents of the common-interest community, results in blighting or deterioration of the unit or the surrounding area and adversely affects the use and enjoyment of nearby units, if the unit's owner refuses or fails to remediate or remove the water or mold damage.

5. After the association has provided the unit's owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association may order that the costs of any maintenance or abatement or the reasonable costs of remediation or removal conducted pursuant to subsection 2, 3 or 4, including, without limitation, reasonable inspection fees, notification and collection costs and interest, be charged against the unit. The association shall keep a record of such costs and interest charged against the unit and has a lien on the unit for any unpaid amount of the charges. The lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

6. A lien described in subsection 5 bears interest from the date that the charges become due at a rate determined pursuant to NRS 17.130 until the charges, including all interest due, are paid.

7. Except as otherwise provided in this subsection, a lien described in subsection 5 is prior and superior to all liens, claims, encumbrances and titles other than the liens described in paragraphs (a) and (c) of subsection 2 of NRS 116.3116. If the federal regulations of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior and superior to other security interests shall be determined in accordance with those federal regulations. Notwithstanding the federal regulations, the period of priority of the lien must not be less than the 6 months immediately preceding the institution of an action to enforce the lien.

8. A person who purchases or acquires a unit at a foreclosure sale pursuant to NRS 40.430 or a trustee's sale pursuant to NRS 107.080 is bound by the governing documents of the association and shall maintain the exterior of the unit in accordance with the governing documents of the association. Such a unit may only be removed from a common-interest community in accordance with the governing documents pursuant to this chapter.

9. Notwithstanding any other provision of law, an association, its directors or members of the executive board, employees, agents or community manager who enter the grounds or interior of a unit pursuant to this section are not liable for trespass.
