

Assembly Bill No. 458—Committee on Education

CHAPTER.....

AN ACT relating to taxation; revising provisions governing the amount of credits the Department of Taxation is authorized to approve against the modified business tax for taxpayers who donate money to a scholarship organization; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, financial institutions, mining businesses and other employers are required to pay an excise tax (the modified business tax) on wages paid by them. (NRS 363A.130, 363B.110) Existing law establishes a credit against the modified business tax equal to an amount which is approved by the Department of Taxation and which must not exceed the amount of any donation of money made by a taxpayer to a scholarship organization that provides grants on behalf of pupils who are members of a household with a household income of not more than 300 percent of the federally designated level signifying poverty to allow those pupils to attend schools in this State, including private schools, chosen by the parents or legal guardians of those pupils. (NRS 363A.139, 363B.119, 388D.270) Under existing law, the Department: (1) is required to approve or deny applications for the tax credit in the order in which the applications are received by the Department; and (2) is authorized to approve applications for each fiscal year until the amount of the tax credits approved for the fiscal year is the amount authorized by statute for that fiscal year. The amount of credits authorized for each fiscal year is equal to 110 percent of the amount authorized for the immediately preceding fiscal year, not including certain additional tax credits authorized for Fiscal Year 2017-2018. For Fiscal Year 2017-2018, the amount of credits authorized which are relevant for calculating the credits authorized in subsequent fiscal years is \$6,050,000. Thus, for Fiscal Year 2018-2019, the amount of credits authorized is \$6,655,000, plus any remaining amount of tax credits carried forward from the additional credit authorization made for Fiscal Year 2017-2018. (NRS 363A.139, 363B.119)

This bill eliminates the annual 110 percent increase in the amount of credits authorized and, instead, provides that the amount of credits authorized for each fiscal year is a total of \$6,655,000, plus any remaining amount of tax credits carried forward from the additional credit authorization made for Fiscal Year 2017-2018.

The Department of Taxation shall, within 20 days after receiving the application, approve or deny the application and provide to the scholarship organization notice of the decision and, if the application is approved, the amount of the credit authorized. Upon receipt of notice that the application has been approved, the scholarship organization shall provide notice of the approval to the taxpayer who must, not later than 30 days after receiving the notice, make the donation of money to the scholarship organization. If the taxpayer does not make the donation of money to the scholarship organization within 30 days after receiving the notice, the scholarship organization shall provide notice of the failure to the Department of Taxation and the taxpayer forfeits any claim to the credit authorized by subsection 1.

3. The Department of Taxation shall approve or deny applications for the credit authorized by subsection 1 in the order in which the applications are received.

4. Except as otherwise provided in subsection 5, the Department of Taxation may, for each fiscal year, approve applications for the credit authorized by subsection 1 until the total amount of the credits authorized by subsection 1 and approved by the Department of Taxation pursuant to this subsection *and subsection 4 of NRS 363B.119* is ~~£~~:

→ **\$6,655,000.** The amount of any credit which is forfeited pursuant to subsection 2 must not be considered in calculating the amount of credits authorized for any fiscal year.

5. In addition to the amount of credits authorized by subsection 4 for Fiscal Year 2017-2018, the Department of Taxation may approve applications for the credit authorized by subsection 1 for that fiscal year until the total amount of the credits authorized by subsection 1 and approved by the Department of Taxation pursuant

to this subsection and subsection 5 of NRS 363B.119 is \$20,000,000. The provisions of ~~paragraph (c) of~~ subsection 4 do not apply to the amount of credits authorized by this subsection and the amount of credits authorized by this subsection must not be considered when determining the amount of credits authorized for a fiscal year pursuant to ~~that paragraph.~~ **subsection 4.** If, in Fiscal Year 2017-2018, the amount of credits authorized by subsection 1 and approved pursuant to this subsection is less than \$20,000,000, the remaining amount of credits pursuant to this subsection must be carried forward and made available for approval during subsequent fiscal years until the total amount of credits authorized by subsection 1 and approved pursuant to this subsection is equal to \$20,000,000. The amount of any credit which is forfeited pursuant to subsection 2 must not be considered in calculating the amount of credits authorized pursuant to this subsection.

The total amount of the credit applied against the taxes described in subsection 1 and otherwise due from a taxpayer must not exceed the amount of the donation.
