AN ACT relating to education; revising provisions relating to the selection of the board of trustees of certain school districts; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the board of trustees of a school district in which more than 25,000 pupils are enrolled (currently the Clark and Washoe County School Districts) is comprised of seven members who are elected from election districts established by the board to terms of 4 years. (NRS 386.165) **Section 1** of this bill eliminates the election districts and requires that three members of the board be elected at large. In a school district in which more than 75,000 pupils are enrolled, **section 1** requires that the remaining members of the board be appointed by the board of county commissioners of the county in which the school district is located and the governing bodies of the three most populous incorporated cities in the county. In a school district in which more than 25,000 pupils but not more than 75,000 pupils are enrolled, **section 1** requires that the remaining members be appointed by the Governor, the board of county commissioners of the county in which the school district is located and the governing bodies of the two most populous incorporated cities in the county. **Sections 2-4 and 7** of this bill make conforming changes.

Existing law prescribes the manner of filling a vacancy on the board created by the departure of a member who was elected. (NRS 386.270) **Section 5** of this bill requires the appointing authority to appoint a new member to fill a vacancy created by the departure of a member who was appointed. **Section 6** of this bill makes a conforming change. **Section 8** of this bill establishes the manner in which the current members will be replaced.
