AN ACT relating to mental health; requiring the adoption of regulations governing the involuntary administration of medication to persons with mental illness and the medical examination of a person alleged to be a person in a mental health crisis; authorizing the adoption of regulations concerning the plan for the discharge of a person admitted to a mental health facility or hospital; revising certain terminology and standardizing certain time periods relating to admission to mental health facilities; revising the authority of certain accredited agents to make certain certifications and transport persons with mental illness; revising requirements concerning notification to certain persons of the emergency admission of a person to a mental health facility; revising the procedure for proceedings for the involuntary court-ordered admission of a person to a mental health facility or a program of community-based or outpatient services; authorizing the disclosure to a provider of health care of certain information related to a person who seeks mental health services; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law requires the State Board of Health to adopt regulations for the care
2 and treatment of persons with mental illness. (NRS 433.324) **Section 1** of this bill
3 requires those regulations to include regulations governing the procedure for the
4 involuntary administration of medication to such persons. **Section 5** of this bill
5 authorizes the Board to adopt regulations requiring a public or private mental health
6 facility or hospital to adopt a plan for the discharge of a person admitted to the
7 facility or hospital. **Section 5** further requires such facilities to report certain
8 information concerning emergency admissions to the Division of Public and
9 Behavioral Health of the Department of Health and Human Services.

10 **Section 7** of this bill replaces the term "person with mental illness," as used in
11 provisions concerning the admission of a person to mental health facility or
12 hospital, with the term "person in a mental health crisis." **Section 7** defines the term
13 "person in a mental health crisis" to mean any person: (1) who has a mental illness;
14 and (2) whose capacity to exercise self-control, judgment and discretion in the
15 conduct of the person's affairs and social relations or to care for his or her personal
16 needs is diminished, as a result of the mental illness, to the extent that the person
17 presents a substantial likelihood of serious harm to himself or herself or others.
18 **Section 4** of this bill prescribes the criteria for determining when a person presents
19 a substantial likelihood of serious harm to himself or herself or others. **Sections 2,**
20 **6, 9-23, 26, 27, 29 and 32** of this bill make conforming changes.

21 Existing law requires a person admitted to a public or private mental health
22 facility on a voluntary basis to be released immediately upon request unless, within
23 24 hours after the request, the facility changes the status of the person to an
24 emergency admission. (NRS 433A.140) **Section 8** of this bill removes this 24-hour
25 period, thereby requiring the immediate release of a person who has been admitted
26 to a mental health facility on a voluntary basis upon his or her request.

27 Unless a petition is made for the involuntary court-ordered admission of a
28 person previously admitted to a mental health facility or hospital on an emergency
29 basis, existing law prohibits the detention of such a person for longer than: (1) if the
30 person was originally admitted voluntarily, 48 hours after the status was changed to
31 an emergency admission; and (2) in all other cases, 72 hours after certain
32 requirements have been met. (NRS 433A.145, 433A.150) **Sections 9 and 10** of this
33 bill standardize these time periods to prohibit such detention for longer than 72
34 hours after the change in status or after an application or any part of an application
35 is made for emergency admission, as applicable.

36 Existing law authorizes an accredited agent of the Department to: (1) make an
37 application for the emergency admission of a person to a mental health facility or
38 hospital; (2) certify that a person who has been admitted to a mental health facility
39 or hospital on an emergency basis is or is not a person with mental illness; or (3)
40 file a petition for the involuntary court-ordered admission of a person to a mental
41 health facility or a program of community-based or outpatient services. (NRS
42 433A.160, 433A.170, 433A.195, 433A.200) **Sections 11, 13, 15-17 and 20** of this
43 bill remove this authorization, and **section 11** instead authorizes an accredited agent
44 of the Division to transport a person alleged to be a person in a mental health crisis
45 to a mental health facility or hospital after an application is made for the emergency
46 admission of the person.

47 Existing law requires a person alleged to be a person with mental illness to
48 undergo a medical examination before the person is admitted to a mental health
49 facility. (NRS 433A.165) **Section 12** of this bill requires the Board to adopt
50 regulations prescribing a procedure to ensure that such an examination is
51 performed.

52 Existing law requires the administrative officer of a mental health facility to
53 notify the spouse or legal guardian of a person not later than 24 hours after the
54 person is admitted to the facility under an emergency admission. (NRS 433A.190)

55 **Section 14** of this bill instead requires the administrative officer to ensure that a
56 person who is admitted under an emergency admission is asked to give permission
57 to provide notice of the admission to a family member, friend or other person
58 identified by the person. If the person does not give permission, **section 14**
59 generally prohibits such notification. If the person is not capable of giving
60 permission, **section 14** authorizes the administrative officer to cause the provision
61 of such notice if he or she determines that the notice is in the best interest of the
62 person admitted to the facility. **Section 14** requires the notification of a guardian,
63 person designated in a durable power of attorney for health care or attorney-in-fact
64 for a person admitted to a mental health facility under an emergency admission,
65 regardless of whether the person has provided permission to give such notice.

66 **Section 19** of this bill revises the date on which a district judge is required to
67 set a hearing on a petition for the involuntary court-ordered admission of a person
68 to a mental health facility or a program of community-based or outpatient services.

69 **Section 22** of this bill requires the court, upon finding that a person admitted as an
70 emergency admission, other than a criminal defendant, is not a person in a mental
71 health crisis, to order the mental health facility or hospital to which the person has
72 been admitted to release the person within 24 hours unless the person remains at the
73 facility or hospital voluntarily.

74 **Section 24** of this bill abolishes a prohibition on transporting a person to a
75 mental health facility without at least one attendant of the same sex or a relative in
76 the first degree of consanguinity or affinity being in attendance. **Sections 25 and 28**
77 of this bill authorize the disclosure of certain information concerning persons
78 seeking mental health services to a provider of health care to assist with the
79 treatment of the person.

25 433A.140 1. Any person may apply to:

26 (a) A public or private mental health facility in the State of

32 attained the age of majority, application for voluntary admission or
33 care, treatment or training may be made on his or her behalf by the
34 person's spouse, parent or legal guardian.

35 2. If the application is for admission to a division facility, or
36 for care, treatment or training provided by the Division, the
37 applicant must be admitted or provided such services as a voluntary
38 consumer if an examination by personnel of the facility qualified to
39 make such a determination reveals that the person needs and may
40 benefit from services offered by the mental health facility.

41 3. Any person admitted to a public or private mental health
42 facility as a voluntary consumer must be released immediately after
43 the filing of a written request for release with the responsible

45 day, unless ~~[, within 24 hours after the request,]~~ the facility changes

1 the status of the person to an emergency admission pursuant to NRS
2 433A.145. When a person is released pursuant to this subsection, the
3 facility and its agents and employees are not liable for any debts or
4 contractual obligations, medical or otherwise, incurred or damages
5 caused by the actions of the person.

6 4. Any person admitted to a public or private mental health
7 facility as a voluntary consumer who has not requested release may
8 nonetheless be released by the medical director of the facility when
9 examining personnel at the facility determine that the consumer has
10 recovered or has improved to such an extent that the consumer is not
11 considered a danger to himself or herself or others and that the
12 services of that facility are no longer beneficial to the consumer or
13 advisable.

14 5. A person who requests care, treatment or training from the
15 Division pursuant to this section must be evaluated by the personnel
16 of the Division to determine whether the person is eligible for the
17 services offered by the Division. The evaluation must be conducted:

18 (a) Within 72 hours if the person has requested inpatient
19 services; or

20 (b) Within 72 regular operating hours, excluding weekends and

25 money made available to the facility.

26 **Sec. 9.** NRS 433A.145 is hereby amended to read as follows:

27 433A.145 1. If a person ~~[with]~~ *in a* mental ~~[illness]~~ *health*
28 *crisis* is admitted to a public or private mental health facility or
29 hospital as a voluntary consumer, the facility or hospital shall not
30 change the status of the person to an emergency admission unless
31 the hospital or facility receives, before the change in status is made,
32 an application for an emergency admission pursuant to NRS
33 433A.160 and the certificate of a psychiatrist, psychologist,
34 physician, physician assistant, clinical social worker ~~[.]~~ *or* advanced
35 practice registered nurse ~~[or accredited agent of the Department]~~
36 pursuant to NRS 433A.170.

37 2. A person whose status is changed pursuant to subsection 1
38 must not be detained in excess of ~~[48]~~ *72* hours after the change in
39 status is made unless, before the close of the business day on which
40 the ~~[48]~~ *72* hours expires, a written petition is filed with the clerk of
41 the district court pursuant to NRS 433A.200.

42 3. If the period specified in subsection 2 expires on a day on
43 which the office of the clerk of the district court is not open, the
44 written petition must be filed on or before the close of the business
45 day next following the expiration of that period.

1 **Sec. 10.** NRS 433A.150 is hereby amended to read as follows:

2 433A.150 1. Any person alleged to be a person ~~[with]~~ *in a*
3 mental ~~[illness]~~ *health crisis* may, upon application pursuant to
4 NRS 433A.160 and subject to the provisions of subsection 2, be
5 detained in a public or private mental health facility or hospital
6 under an emergency admission for evaluation, observation and
7 treatment.

8 2. Except as otherwise provided in subsection 3, a person
9 detained pursuant to subsection 1 must be released within 72 hours,
10 including weekends and holidays, after the ~~[certificate required~~
11 ~~pursuant to NRS 433A.170 and the examination required by~~
12 ~~paragraph (a) of subsection 1 of NRS 433A.165 have been~~
13 ~~completed, if such an examination is required, or within 72 hours,~~
14 ~~including weekends and holidays, after the person arrives at the~~
15 ~~mental health facility or hospital, if an examination is not required~~
16 ~~by paragraph (a) of subsection 1 of NRS 433A.165.]~~ *application for*
17 *emergency admission or any part of such an application is made*
18 *pursuant to NRS 433A.160* unless, before the close of the business
19 day on which the 72 hours expires, a written petition for an
20 involuntary court-ordered admission to a mental health facility is
21 filed with the clerk of the district court pursuant to NRS 433A.200,
22 including, without limitation, the documents required pursuant to
23 NRS 433A.210, or the status of the person is changed to a voluntary
24 admission.

25 3. If the period specified in subsection 2 expires on a day on
26 which the office of the clerk of the district court is not open, the
27 written petition must be filed on or before the close of the business
28 day next following the expiration of that period.

2 medical **[problem] condition** in addition to a psychiatric **[problem]**
3 **condition** which requires medical treatment that requires more than
4 72 hours to complete, the licensed physician, physician assistant or
5 advanced practice registered nurse who examined the person must:

6 (a) On the first business day after determining that such medical
7 treatment is necessary file with the clerk of the district court a
8 written petition to admit the person to a public or private mental

10 treatment has been completed. The petition must:

11 (1) Include, without limitation, the medical condition of the
12 person and the purpose for continuing the medical treatment of the
13 person; and

14 (2) Be accompanied by a copy of the application for the

19 update on the medical condition and treatment of the person.

20 3. The examination and any transfer of the person from a
21 facility when the person has an emergency medical condition and
22 has not been stabilized must be conducted in compliance with:

23 (a) The requirements of 42 U.S.C. § 1395dd and any regulations

8 evaluated the person, or other persons professionally qualified in the
9 field of psychiatric mental health, which the court believes may be
10 in the best interests of the person.

26 given to the admitting court and to the consumer's legal guardian at
27 least 10 days before the release of the consumer. The consumer may

29 consumer has a legal guardian, the facility or the professional
30 responsible for providing or coordinating the program of
31 community-based or outpatient services shall notify the guardian
32 before discharging the consumer from the facility or program. The
33 legal guardian has discretion to determine where the consumer will

14 discharging the consumer from the facility. The legal guardian has
15 discretion to determine where the consumer will be released, taking
16 into consideration any discharge plan proposed by the facility

19 of notification, the facility shall discharge the consumer according
20 to its proposed discharge plan.

21 3. A consumer who is involuntarily admitted to a program of
22 community-based or outpatient services may be unconditionally
23 released before the period specified in NRS 433A.310 when:
