Legislative Counsel's Digest:

~~[—Existing law sets forth deadlines for registering to vote by mail, computer or appearing in person at the office of a county or city clerk. (NRS 293.560, 293C.527) The last day to register to vote for a primary election, primary city election, general election or general city election: (1) by mail is the fourth Tuesday preceding the election; (2) by appearing in person at the office of the county or city clerk, as applicable, is the third Tuesday preceding the election; and (3) by computer is the Thursday preceding the first day of the period for early voting for the election. Sections 2, 4, 36 and 38 of this bill authorize an elector to register to vote in person or to update his or her voter registration information for a primary, primary city, general or general city election: (1) during the period for early voting; and (2) on the day of the election. Additionally, sections 2, 4, 36 and 38 require the county or city clerk to designate one or more polling places in the county or city as a site for registering to vote or updating voter registration information during early voting and on election day. To register to vote or to update his or her voter registration information, an elector must appear at such a site, complete an application to register to vote or to update his or her voter registration information and provide his or her driver's license or an identification card issued by the Department of Motor Vehicles as proof of identity and residence. Upon completion of the application or update and verification of identity and residence, the elector is deemed registered to vote or his or her voter registration is deemed updated, and the elector may vote~~

in that election only at the polling place at which he or she has registered to vote or updated his or her voter registration information. Sections 5-9, 11-14, 22-34, 39-41, 43-46 and 49-57 of this bill make conforming changes.]

Existing law requires, under certain circumstances, county and city clerks to establish at least one polling place for the day of a primary election, general election, primary city election or general city election, as applicable, within the boundaries of an Indian reservation or Indian colony at a location or locations approved by the Indian tribe upon the request of the Indian tribe. (NRS 293.2733, 293C.2675) Existing law also requires, under certain circumstances, county and city clerks to establish at least one temporary branch polling place for early voting within the boundaries of an Indian reservation or Indian colony upon the request of an Indian tribe. (NRS 293.3572, 293C.3572) Sections 10, 21, 42 and 48 of this bill provide that if a county or city clerk establishes a polling place for the day of an election or for early voting upon the request of an Indian tribe, the county or city clerk shall continue to establish such a polling place within the boundaries of the Indian reservation or Indian colony for future elections or early voting, unless otherwise requested by the Indian tribe.

[— Existing law requires polls to close at 7 p.m. on election day and provides that any person waiting in line at 7 p.m. is entitled to vote. (NRS 293.2546, 293.273, 293.305, 293C.267, 293C.297) Sections 14 and 45 of this bill provide that if there are still people waiting in line to vote, register to vote or update voter registration information at 7 p.m., any registered voter who enters the line after 7 p.m. must also be allowed to vote.

— Sections 3 and 37 of this bill provide that any person waiting in line to vote, register to vote or update voter registration information before the hour set for the closing of the polls on any day during early voting must be admitted to vote. Sections 3 and 37 also provide that any registered voter who gets in line to vote after the hour set for the closing of the polls during early voting, if there is still a line of persons waiting to vote, register to vote or update voter registration information at that time, must be admitted to vote.

— Existing law authorizes a person to cast a provisional ballot if the person completes a written affirmation and: (1) declares that he or she is registered to vote and is eligible to vote in the election in the jurisdiction but his or her name does not appear on the election register; (2) has registered to vote by mail or computer, has not voted in an election for federal office in this State and fails to provide identification to an election board officer at the polling place; or (3) declares that he or she is entitled to vote after the polling place would close as a result of certain court orders. A provisional ballot allows the person casting it to vote only for candidates for federal office. After the election, provisional ballots are kept separate from regular ballots and are only counted towards the result of the election under certain circumstances. (NRS 293.3081-293.3085) Sections 15-17 of this bill require provisional ballots to include all offices, candidates and ballot questions on which the person who is casting the provisional ballot would be entitled to vote if he or she were casting a regular ballot. Sections 18 and 19 of this bill make conforming changes.

— Existing law sets forth the period for early voting by personal appearance at a primary or general election which begins the third Saturday before the election and extends through the Friday before the election and excludes Sundays and federal holidays. (NRS 293.3568, 293C.3568) Section 20 of this bill requires the period for early voting in a county with a population of 100,000 or more (currently Clark and Washoe Counties) to extend to the Monday before the election and include Sundays in that period. Section 20 also authorizes a county clerk in a county with a population of less than 100,000 to extend the period for early voting to the Monday before the election. Section 47 of this bill requires the period for early voting in a city located in a county whose population is 100,000 or more to extend through the Monday before the election. Section 47 also authorizes the city clerk in a city located in a county whose population is less than 100,000 to extend the period for early voting through the Monday before the election.]
