#### Legislative Counsel's Digest:

Existing law requires a county clerk to establish the boundaries of election precincts and authorizes election precincts to be combined into election districts. (NRS 293.205-293.209) Existing law prohibits a person from applying for or receiving a ballot at any election precinct or district other than the one at which the person is entitled to vote. (NRS 293.730) **Section 2** of this bill authorizes a county clerk to establish one or more polling places in the county where any person entitled to vote in the county by personal appearance may do so on the day of a primary or general election. **Section 3** of this bill requires the county clerk to publicize the location of such polling places. **Section 4** of this bill requires the county clerk to prepare a roster of registered voters in the county for any such polling place. **Section 5** of this bill sets forth the procedure for a person to vote in person at any such polling place. **Sections 73-76** of this bill set forth corresponding provisions authorizing city clerks to establish polling places where any person who is entitled to vote in the city by personal appearance may do so on the day of the primary city or general city election.

Existing law sets forth deadlines for registering to vote by mail, computer or appearing in person at the office of a county or city clerk. (NRS 293.560, 293C.527) The last day to register to vote for a primary election, primary city election, general election or general city election: (1) by mail is the fourth Tuesday preceding the election; (2) by appearing in person at the office of the county or city clerk, as applicable, is the third Tuesday preceding the election; and (3) by computer is the Thursday preceding the first day of the period for early voting for the election. ~~Sections 64 and 105~~ **5.1-9.8** of this bill ~~extend the deadline for registering to vote by computer to authorize~~ **provide that: (1) after the date that registration closes for a primary, primary city, general or general city election under the existing deadlines and until the Thursday preceding the election,** an elector ~~to~~ **may** register to vote by computer ~~during the period for early voting~~ using the ~~application to register to vote~~ **registration system** provided on the website of the Office of the Secretary of State ~~Sections 6 and 77 of this bill provide that an~~ **; and (2) such an** elector ~~who registers to~~ **may** vote **in person at a polling place** during the period for early voting ~~may only vote~~ **or** on election day ~~under certain circumstances. Sections 7 and 78 of this bill amend sections 6 and 77 to provide that, effective January 1, 2022, a person who registers to vote by computer during the period for early voting may vote during the period of early voting or on election day.~~

~~Sections 9 and 80 of this bill~~ **5.1-9.8 also** authorize an elector to register to vote in person for a primary, primary city, general or general city election **during the period for early voting or** on the day of the election ~~and to vote on the same day as the registration under certain circumstances.~~

To register ~~to~~ **and** vote **in person on the same day,** ~~sections 9 and 80~~ **5.1-9.8** require an elector to appear at a polling place ~~on election day~~ complete an application to register to vote by computer **at the polling place** and provide proof of identity and residence. Upon completion of the application and verification of identity and residence, the elector **:(1) is deemed to be conditionally** registered to vote and may vote in that election only at the polling place at which he or she registered to vote **; and (2) must vote by casting a provisional ballot for all offices and measures on the ballot, but the provisional ballot will be counted only after final verification to determine whether the elector was qualified to register to vote and to cast the ballot in the election.**

~~Effective January 1, 2022, sections 8 and 79 of this bill authorize an elector to register to vote in person for a primary, primary city, general or general city election during the period for early voting. Sections 10 and 81 of this bill revise the requirements for same day registration on the day of an election to provide that the elector may vote by casting a regular ballot rather than a provisional ballot.~~

**Section 11** of this bill requires the Secretary of State to establish a system for voter registration on the Internet website of the Office of the Secretary of State and sets forth certain requirements for the system.

Existing law requires the Department of Motor Vehicles to collect certain information from a person who does not decline to apply to register to vote and transmit that information to the county clerk of the county in which the person resides to register that person to vote or

update his or her voter registration information. (2018 Ballot Question No. 5, Automatic Voter Registration Initiative) **Section 12** of this bill requires the Department to provide a person with a form that allows the person to: (1) affirmatively decline to be registered to vote or have his or her voter registration updated; and (2) indicate a political party affiliation. The form may be returned by the person ~~[-(1)-]~~ immediately after his or her transaction with the Department to a secured container within ~~[the Department, or (2) within 15 business days after concluding the transaction with]~~ the Department. **Section 12** further provides that if a person fails to return the form ~~within 15 business days,~~ that person will be deemed to have consented to the transmission of his or her information and the Department will transmit his or her voter registration information to the county clerk who will list the person's political party as nonpartisan ~~[-]~~ under certain circumstances. **Section 13** of this bill provides that the county clerk must review the voter registration information transmitted by the Department to determine whether the person is eligible to vote. If the county clerk determines the person is not eligible to vote, **section 13** provides that the voter registration information shall be deemed not to be a complete application to register to vote and that person shall be deemed not to have applied to register to vote.

Existing law requires the county clerk and city clerk to publish certain information relating to a primary election or general election in a newspaper of general circulation. (NRS 293.203, 293.253, 293C.187) **Sections 20, 85 and 112** of this bill remove the requirement for a county and city clerk to publish the names of the candidates and offices to which the candidates seek nomination or election. **Section 23** of this bill removes the requirement for a county clerk to publish a condensation of any statewide measure and its explanation, arguments, rebuttals and fiscal note.

Existing law prohibits a county clerk or city clerk from assigning more than one student trainee to serve as an election board officer to any one polling place. (NRS 293.2175, **293.227**, 293C.222) **Sections 21, 21.5 and 86** of this bill remove that prohibition so that more than one student trainee may be assigned to a polling place.

Existing federal law requires states to allow certain registered voters to cast provisional ballots in special circumstances to ensure that the voters facing those circumstances are not unfairly denied the right to vote. (Section 302 of the Help America Vote Act of 2002, 52 U.S.C. § 21082) To comply with federal law, existing Nevada law authorizes a person to cast a provisional ballot if the person completes a written affirmation and: (1) declares that he or she is registered to vote and is eligible to vote in the election in the jurisdiction but his or her name does not appear on the voter registration list; (2) has registered to vote by mail or computer, has not voted in an election for federal office in this State and fails to provide identification to an election board officer at the polling place; or (3) declares that he or she is entitled to vote after the polling place would close as a result of certain court orders. A provisional ballot allows the person casting it to vote only for candidates for federal office. After the election, provisional ballots are kept separate from regular ballots and are only counted towards the result of the election under certain circumstances. (NRS 293.3081-293.3085) **Sections 10.3 and 37-39** of this bill ~~require~~ ensure that the provisions governing provisional ballots subject to the federal requirements are kept separate in Nevada's elections laws from the provisions governing provisional ballots cast under sections 5.1-9.8. However, sections 5.8 and 10.6 of this bill ensure that both types of provisional ballots ~~[-]~~ include all offices, candidates and ballot questions on which the person who is casting the provisional ballot would be entitled to vote if he or she were casting a regular ballot.

Existing law requires a person who will distribute forms to request absent ballots to provide written notice to the county or city clerk within 14 days of distributing the forms and mail the forms not later than 21 days before the election. (NRS 293.3095, 293C.306) **Sections 42 and 93** of this bill revise the time periods to require the person to provide notice to the county or city clerk within 28 days of distributing the forms and to mail the forms not later than 35 days before an election.

Existing law requires a registered voter, with limited exceptions, to request an absent ballot by 5 p.m. on the seventh calendar day preceding a primary, primary city, general or general city election. (NRS 293.313, 293C.310) **Sections 43 and 94** of this bill revise the deadline to require a person to request an absent ballot by 5 p.m. on the 14th day preceding an election.

Existing law authorizes a registered voter with a physical disability or who is at least 65 years of age to submit a written request to the appropriate county or city clerk to receive an absent ballot for all elections at which the registered voter is eligible to vote. (NRS 293.3165, 293C.318) **Sections 44 and 95** of this bill instead provide that any registered voter may submit a written request to receive an absent ballot for all elections at which the registered voter is eligible to vote.

Existing law requires that an absent ballot be received by the county or city clerk by the time the polls close on the day of an election. (NRS 293.317) **Section 45** of this bill instead provides that an absent ballot must be: (1) delivered by hand to the county or city clerk by the time set for the closing of the polls; or (2) mailed to the county or city clerk and postmarked on or before the day of an election.

Existing law establishes a process for a county or city clerk to follow upon receiving an absent ballot from a registered voter. (NRS 293.325, 293C.325) **Sections 46 and 96** of this bill revise this process ~~to require the county clerk to check the signature on the envelope of an absent ballot against all signatures of the voter in the records of the county clerk~~ ~~and if two employees of the office of the county clerk question whether the signature matches, the county clerk must contact the voter to ask whether it is the signature of the voter~~ ~~and (3) if the voter does not respond, the signature is presumed to belong to the voter.~~ **Sections 46 and 96** further require the county and city clerks to contact a voter who has neglected to sign the return envelope of an absent ballot.

Existing law requires a permanent polling place for early voting by personal appearance at a primary or general election to remain open: (1) on Monday through Friday during the first week of early voting, from 8 a.m. to 6 p.m.; (2) on Monday through Friday during the second week of early voting, from 8 a.m. to 6 p.m. or 8 p.m.; and (3) on any Saturday during early voting, for at least 4 hours between 10 a.m. to 6 p.m. (NRS 293.3568, 293C.3568) **Sections 49 and 101** of this bill revise the hours a polling place must remain open during the period for early voting: (1) on Monday through Friday during early voting, for at least 8 hours during such times as the county or city clerk may establish; and (2) on any Saturday during early voting, for at least 4 hours during such times as the county or city clerk may establish.

Existing law requires the county clerk and city clerk to publish the dates and hours that early voting will be conducted at each permanent and temporary polling place for early voting. (NRS 293.3576, 293C.3576) **Sections 50 and 102** of this bill provide that the county clerk or city clerk may extend the hours that early voting will be conducted after the hours have been published.

Existing law authorizes persons who are 17 years old and who meet certain eligibility requirements to preregister to vote. (NRS 293.4855) **Sections 55 and 56** of this bill authorize a 17 year-old who will be 18 years of age on or before the date of the next general city or general election to vote in the primary city election or primary election. ~~[Section] However, under existing law and various city charters, certain candidates who win a majority of the vote in the primary election are declared elected to office without appearing on the ballot in the general election. (NRS 293.260, 293C.175, 293C.180) Sections 25, 84.5, 84.6, 117, 118, 120, 122, 123, 125, 127, 128, 130, 131, 133, 134, 136, 137, 139, 140, 142, 143, 145 and 147 of this bill [revises the requirements for] remove the provisions allowing certain [names to be omitted from a ballot for the general] candidates to be elected to office in the primary election [to] and instead require the [names of all] candidates to appear on the ballot for the general election to ensure that any candidate voted upon by a 17 year-old at a primary city election or primary election is not declared elected to the office at the primary city election or primary election.~~

Existing law requires the Secretary of State to establish and maintain an official statewide voter registration list, which, among other requirements, must be coordinated with the databases of the Department of Motor Vehicles. (NRS 293.675) **Section 69** of this bill: (1) requires the Department of Motor Vehicles to ensure that its database is capable of processing any information related to an application to register to vote, an application to update voter registration information or a request to verify the accuracy of voter registration information as quickly as feasible; and (2) prohibits the Department of Motor Vehicles from limiting the number of applications or requests to verify the accuracy of voter registration information that may be processed by the database in any given day.

Existing law provides that the counties and certain cities must complete the canvass of the election returns in the county or city, respectively, on or before the sixth working

day following the election. (NRS 293.387, 293.393, 293C.387) However, various city charters set different periods for certain cities to complete the canvass of the election returns following the election. Sections 52.2, 52.4, 104.5, 116, 119, 121, 124, 126, 129, 132, 135, 138, 141, 144 and 148 of this bill provide that all counties and cities must complete the canvass of the election returns on or before the 10th day following the election.

Under the Nevada Constitution and existing statutes, persons who circulate initiative and referendum petitions proposing changes in the law are required to submit the petitions to the county clerks by certain deadlines, so the clerks can verify whether the petitions have a sufficient number of valid signatures to qualify for the ballot. (Nev. Const. Art. 19, §§ 1, 2; NRS 295.056) Section 112.2 of this bill revises those deadlines.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** Chapter 293 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 13, inclusive, of this act.

13 on the application to register to vote, the voter must update his or her signature  
14 on a form prescribed by the Secretary of State.

15 4. The county clerk shall prescribe a procedure, approved by the Secretary  
16 of State, to verify that the voter has not already voted in that county in the current
