AN ACT relating to occupational safety and health; requiring ~~[a]~~ certain medical ~~[facility]~~ facilities to develop and carry out a plan for the prevention of workplace violence and report incidents of workplace violence to the Division of Industrial Relations of the Department of Business and Industry; prohibiting such a medical facility from taking certain actions against an employee or other provider of care who seeks the assistance of a public safety agency in response to workplace violence or who reports workplace violence; requiring such a medical facility to maintain certain records and provide copies of those records to certain persons upon request; requiring the Division to publish an annual report concerning workplace violence at such medical facilities; and providing other matters properly relating thereto.

#### Legislative Counsel's Digest:

Existing law prohibits an employer from maintaining unsafe or unhealthy places of employment. (NRS 618.385) Existing law imposes certain requirements concerning specific issues related to workplace safety, including the control of asbestos, the operation of cranes and the manufacture and use of explosives and photovoltaic system projects. (NRS 618.750-618.936) **Section 14** of this bill requires a ~~[medical facility, other than a nursing pool,]~~ hospital or psychiatric hospital to develop and carry out a plan for the prevention of workplace violence. **Section 14** requires such a plan to require training for employees and ~~[independent contractors]~~ other providers of care concerning the prevention of workplace violence at certain times during employment. **Section 15** of this bill requires a ~~[medical facility]~~ hospital or psychiatric hospital to collaborate with employees ~~[, independent contractors and]~~ and any employee organization representing other providers of care in developing, reviewing and revising the training.

15       **Section 14** additionally requires the plan to include procedures for responding to  
16 workplace violence and situations that create the potential for workplace violence. **Section 16**  
17 of this bill prescribes the required contents of those procedures. **Section 14** further requires  
18 the plan to include procedures for: (1) correcting hazards that increase the risk of workplace  
19 violence; (2) obtaining assistance from security guards and public safety agencies when  
20 appropriate; (3) responding to incidents that create the possibility of mass casualties; and (4)  
21 annually assessing and improving on the capability of a ~~{medical-facility}~~ hospital or  
22 psychiatric hospital to prevent or respond to workplace violence.

23       **Section 17** of this bill requires a ~~{medical-facility}~~ hospital or psychiatric hospital to  
24 take certain actions relating to the development and implementation of the plan and provide  
25 orientation concerning the plan to temporary employees and ~~{independent-contractors}~~ other  
26 providers of care. **Section 17** also requires a ~~{medical-facility}~~ hospital or psychiatric  
27 hospital to carry out certain controls to prevent and mitigate the risk of workplace violence.  
28 **Section 17** additionally requires a ~~{medical-facility}~~ hospital or psychiatric hospital to  
29 document and report to the Division of Industrial Relations of the Department of Business and  
30 Industry certain incidents of workplace violence. **Section 17** bans a ~~{medical-facility}~~ hospital  
31 or psychiatric hospital from prohibiting an employee or ~~{independent-contractor}~~ other  
32 provider of care from reporting an incident of workplace violence or seeking the assistance  
33 of a public safety agency in response to an incident of workplace violence or punishing or  
34 retaliating against an employee or ~~{independent-contractor}~~ other provider of care who  
35 reports an incident or seeks such assistance. **Section 19.3 of this bill authorizes an employee**  
36 **who is aggrieved by such prohibited actions to file a complaint with the Division for**  
37 **reinstatement and reimbursement for lost wages and work benefits.**

38       **Section 18** of this bill requires a ~~{medical-facility}~~ hospital or psychiatric hospital to  
39 maintain and make available to the Division upon request certain documentation, including:  
40 (1) records relating to the identification of hazards and training sessions; and (2) a log of each  
41 incident of workplace violence against an employee or ~~{independent-contractor}~~ other  
42 provider of care. **Section 18** requires a medical facility to provide copies of such records to  
43 employees and ~~{independent-contractors, former-employees and independent-contractors}~~  
44 other providers of care and representatives of such persons upon request. **Section 19** of this  
45 bill requires the Division to annually publish a report concerning workplace violence at  
46 ~~{medical-facilities}~~ hospitals and psychiatric hospitals. **On July 1, 2021, section 19.6 of**  
47 **this bill makes the provisions of this bill applicable to various other medical facilities to**  
48 **the same extent as they apply to hospitals and psychiatric hospitals. Such medical**  
49 **facilities include certain large agencies to provide nursing in the home, independent**  
50 **centers for emergency medical care, facilities for intermediate care, facilities for skilled**  
51 **nursing, rural clinics, facilities for modified medical detoxification and community triage**  
52 **centers.**

15 ~~contractor~~ other provider of care affected by an incident of workplace violence;

16 (f) ~~Debrief with~~ Offer the opportunity for each employee and ~~independent~~  
17 ~~contractor~~ other provider of care, including, without limitation, supervisors and  
18 security guards, involved in an incident of workplace violence to debrief as soon  
19 as possible after the incident ~~at~~ at a time and place that is convenient for the  
20 employee or other provider of care;

21 (g) Review any patient-specific risk factors and any measures specified to  
22 reduce those factors;

23 (h) Review the implementation and effectiveness of corrective measures  
24 taken under the plan ~~;~~ including, without limitation, measures relating to  
25 staffing, alarms and other means of summoning assistance and the response by  
26 staff and public safety agencies, in responding to an incident of workplace  
27 violence; and

28 (i) Solicit the opinion of each employee or ~~independent contractor~~ other  
29 provider of care involved in an incident of workplace violence ~~;~~ including,  
30 without limitation, each employee or independent contractor injured in the  
31 incident; concerning the ~~cause~~ precipitating factors of the incident and any  
32 measures that may have assisted in preventing the incident.

33 2. The procedures for assessing and responding to situations that create the  
34 potential for workplace violence must include, without limitation, procedures for:

35 (a) Assessing factors that may contribute to or prevent incidents of workplace  
36 violence in each unit, area and location of the medical facility. Such factors  
37 include, without limitation:

38 (1) Staffing ~~patterns~~ that ~~contribute~~ contributes to or ~~are~~ is  
39 insufficient to address the risk of workplace violence;

40 (2) Sufficiency of security systems, including, without limitation, alarms  
41 and emergency response systems and the availability of security guards;

42 (3) Design of jobs, equipment and facilities;

43 (4) Environmental risk factors; and

44 (5) Patient-specific risk factors.

45 (b) Employees and ~~independent contractors~~ other providers of care to  
46 report incidents of workplace violence and concerns about workplace violence or  
47 the potential for workplace violence without fear of reprisal.

48 (c) Investigating concerns reported pursuant to paragraph (b) and informing  
49 employees and ~~independent contractors~~ other providers of care of the results of  
50 such an investigation and any corrective action taken in response to the  
51 investigation.

52 (d) Communicating about workplace violence, including, without limitation:

(1) The manner in which employees and ~~independent contractors~~ other providers of care may document and communicate information to other employees and ~~independent contractors~~ other providers of care, including, without limitation, employees and ~~independent contractors~~ other providers of care who work different hours or on different units, concerning conditions that may increase the potential for workplace violence; and

(2) Means by which to alert employees and ~~independent contractors~~ other providers of care to the presence, location and nature of a security threat.

3. As used in this section, "environmental risk factors" means factors in the medical facility or an area in which health care services or operations are conducted that may contribute to the likelihood or severity of an incident of workplace violence ~~that~~, including, without limitation, working in an isolated area, poor illumination or blocked visibility and lack of physical barriers between employees or other providers of care and persons who are at a risk of committing workplace violence.

Sec. 17. 1. A medical facility shall:

(a) Ensure that the plan developed pursuant to section 14 of this act is effectively carried out at all times and in all units, areas and locations of the medical facility.

(b) Coordinate risk assessment and development and implementation of the plan developed pursuant to section 14 of this act with independent contractors whose employees ~~work~~ provide care in the medical facility.

(c) Ensure that each temporary employee or ~~independent contractor~~ other provider of care receives an appropriate orientation in the plan developed pursuant to section 14 of this act before beginning work in the medical facility.

(d) Implement engineering controls, work practice controls and other appropriate measures as applicable, to prevent and mitigate the risk of workplace violence in all units, areas and locations of the facility. Such controls ~~must~~ may include, without limitation:

(1) Assignment or placement of sufficient numbers of staff to reduce patient-specific risk factors;

(2) Reconfiguration of spaces in the facility to prevent or minimize potential incidents of workplace violence;

(3) Procedures to prevent the transportation of unauthorized firearms and other dangerous weapons into and within the medical facility; and

(4) Maintenance at all times of a sufficient number of trained staff ~~that~~ including, without limitation, or security guards ~~that~~ to prevent or immediately respond to incidents of workplace violence. Such staff must not have other job duties that hinder their ability to respond immediately to an incident or potential incident of workplace violence.

(e) Report any incident of workplace violence at the medical facility that results in injury, involves a firearm or other dangerous weapon or presents an urgent or emergent threat to the welfare, health or safety of an employee or ~~independent contractor~~ other provider of care to the Division not later than 24 hours after the incident.

(f) Report any other incident of workplace violence at the medical facility to the Division not later than 72 hours after the incident.

2. A medical facility shall not:

(a) Prohibit an employee or ~~independent contractor~~ other provider of care from reporting incidents of workplace violence or concerns about workplace violence or seeking the assistance of a public safety agency to respond to an incident of workplace violence; or

1 (b) Punish or retaliate against an employee or ~~(independent contractor)~~  
2 other provider of care for reporting an incident of workplace violence or seeking  
3 such assistance.

4 **Sec. 18.** 1. A medical facility shall maintain and make available to the  
5 Division upon request records related to incidents of workplace violence and  
6 actions taken in compliance with sections 14 to 17, inclusive, of this act. Such  
7 records must include, without limitation:

8 (a) Records of the identification, evaluation and correction of hazards that  
9 increase the risk of workplace violence.

10 (b) A log of workplace violence which must include documentation of each  
11 incident of workplace violence against an employee ~~for independent contractor~~  
12 of the medical facility ~~or~~ or other provider of care at the medical facility,  
13 regardless of whether a report of the incident is submitted to the Division  
14 pursuant to paragraph (e) or (f) of subsection 1 of section 17 of this act. An entry  
15 in the log for an incident of workplace violence must be retained for at least 5  
16 years after the incident and must include, without limitation:

17 (1) A detailed description of the incident, including, without limitation,  
18 the location and circumstances surrounding the incident;

19 (2) A classification of the perpetrator of the incident;

20 (3) A classification of the type of incident; and

21 (4) A description of any consequences of the incident, including, without  
22 limitation, any injuries caused by the incident.

23 (c) A record of each training session provided under the plan developed  
24 pursuant to section 14 of this act. Such records must be maintained for at least 1  
25 year after the training session and must include, without limitation, the date and  
26 content of the training session and the names and qualifications of each person  
27 who provided training as part of the session.

28 (d) A record of each report to the Division pursuant to NRS 618.378 or  
29 paragraph (e) or (f) of subsection 1 of section 17 of this act.

30 2. Employees, ~~independent contractors, former employees, former~~  
31 ~~independent contractors~~ other providers of care and representatives of  
32 employees ~~for former employees of~~ or other providers of care at a medical  
33 ~~facility for an independent contractor of a medical facility~~ are entitled to access  
34 to any records maintained by a medical facility pursuant to this section. A  
35 medical facility shall, upon request, provide copies of the records to the  
36 employees, ~~independent contractors, former employees, former independent~~  
37 ~~contractors~~ other providers of care or representatives within 72 hours after  
38 receipt of the request.

39 3. If a copy of a record is provided pursuant to this section, the first six  
40 pages reproduced pursuant to the request must be provided without charge. The  
41 charge for each additional page copied must not exceed the cost of reproduction.

42 4. Records maintained pursuant to this section must not include the  
43 personally identifiable information of any patient, employee of the medical  
44 facility or other provider of care at the medical facility. Such records must not be  
45 maintained or disclosed in a manner that violates NRS 449A.112 or the Health  
46 Insurance Portability and Accountability Act of 1996, Public Law 104-191, and  
47 any regulations adopted pursuant thereto.

48 5. For the purposes of this section, “representatives of employees ~~for former~~  
49 ~~employees of~~ or other providers of care at a medical facility or an independent  
50 ~~contractor of a medical facility~~” means:

51 (a) A person previously identified to the Division as an authorized  
52 representative of the employee bargaining unit of a labor organization which has

1 *a collective bargaining relationship with the employer and represents the affected*  
2 *employees.*
